A Cross by the Road Jane Quint, 2010-01-19 This true story begins with a mother s terrifying dream that foretold the accidental death of her adult son She continued to have subtle premonitions that she didn t understand until it was too late When her son died as the dream predicted she was riddled with guilt at not having been able to save him These premonitions raised tormenting questions about their source purpose and meaning They propelled her on a journey through grief that followed every path from scientific theories to psychic communications with the spirit world It was a lonely quest in a culture impatient with grief and dismissive of premonitions In the end it was through writing her story that she found healing A cross still remains at the T intersection of two county roads still reminding passers by of the vibrant young life that was snuffed out one summer day long ago We often notice these small white crosses along roadways as we speed by Draped with wilted flowers and faded ribbons they stand in mute testimony to tragedies we try to ignore They remind us that life can end in an instant
