Shattered Reclaiming A Life Torn Apart By Violence:

Shattered Debra Puglisi Sharp, 2010-05-11 In April 1998 Debra Puglisi Sharp wife nurse and mother of teenage twins was tending the roses in her garden when a factory worker with a cocaine habit slipped in through an open door and waited for her to come in Nino her husband of twenty five years got in the way and was shot The man then attacked and raped Debra placed her in the trunk of his car and drove away Kept hog tied in her abductor s house Debra finally learned of her husband s murder from a newscast on a radio that the man blared to muffle her screams while he was out After five excruciating days Debra s mounting rage at her captor and the wrenching thought of her children burying their father alone gave her the courage and strength she desperately needed She loosened her ties groped her way to the phone and dialed 911 Shattered is an indelible portrait of hope determination and the agonizing journey back to life Struggling to heal from her horrendous ordeal and the devastating loss of her husband Debra also had to endure an agonizing court trial the raw grief of her children and her own crippling fear But through her work in hospice care and as an advocate for victims of violence and trauma she has slowly discovered the measure of her own strength A compelling survival story tragic and ultimately heroic Shattered represents one woman s attempts to make sense of a senseless crime

2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Shattered John Peel, 1993 After Kimberly's mysterious death Stephanie retraces Kimberly's last steps to the antique shop in the mall **Feminist Eschatology** Emily Pennington, 2016-08-25 Many feminist theologians have made timely and valuable contributions to rethinking the eschaton by framing it as cyclical and by embracing endings as they are experienced by present relational fluid and sensuous bodies. However, any sense of eschatological finality or ultimacy has either been rejected or ignored. Feminist Eschatology seeks to think differently about Christian eschatology in light of contributions from feminist theologians noting the numerous and varied critiques they have made of traditional models. These critiques are identified as being directed towards three key claims: eschatology is understood to be actuated by a domineering God populated by masculinised beings and disassociated from present lives; Using a form of strategic feminism wherein traits associated with female bodies and some women's experiences of their bodies are used to rethink the end time of the eschaton; this book contributes to the meaning and significance of both bodies and eschatology **Ludic Ubuntu Ethics** Mechthild Nagel, 2022-11-30 *Ludic Ubuntu Ethics* develops a positive peace vision taking a bold look at African and Indigenous justice practices and proposes new relational justice models. Ubuntu signifies shared humanity, presenting us a sociocentric perspective of life that is immensely helpful in rethinking the relation of offender and victim. In this book Nagel introduces a new theoretical liberation model: ludic Ubuntu ethics, to showcase five different justice conceptions through a psychosocial lens, allowing for a contrasting analysis of negative Ubuntu (e.g. through shaming and separation) towards positive Ubuntu (e.g. mediation, healing circles) and practices that no longer rely on punishment. Providing a novel perspective on penal abolitionism, the volume draws on precolonial, pre-carceral Indigenous justice perspectives and Black feminism using discourse analysis and a constructivist approach to justice theory. Nagel also introduces readers to a post-secular turn by taking seriously the spiritual dimensions of healing from harm and highlighting the community's response. Spanning disciplinary boundaries and aimed at readers seeking to understand how to move beyond reintegrative shaming and restorative justice theories, the volume will engage scholars of criminology, philosophy and law and more specifically penal abolitionism, social ethics, peace studies, African studies, critical legal studies and human rights. It will also be of great interest to practitioners and activists in restorative justice, mediation, social work and performance studies *Bulletin of the Atomic Scientists*, 1970-06 The *Bulletin of the Atomic Scientists* is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the *Bulletin's* iconic Doomsday Clock stimulates solutions for a safer world Index to Jewish Periodicals, 2003 An author and subject index to selected American Anglo-Jewish journals of general and scholarly interests *Shattered but Not Broken* Kathryn Lena Rhodes Mims, 2021-10-27 An extraordinary true story about how love doesn't hurt. In this story, you will discover how those three words "I Love you" lead to being shot multiple times at gunpoint and left for dead. The purpose for this book is to relate to men and women young and old concerning the seriousness of domestic violence. An act of domestic

violence can happen to anyone Statistics show that domestic violence is rapid and most times silent Many people have lost their lives by the very hand that fed them Please let this not be you You will unfold many warning signs as you read my book It is my prayer that you will take heed and control Love is powerful and is the very force that connect us In addition love doesn't hurt in fact it nurtures protects believes endures hopes and most of all never fails Do you know anyone can be a victim of domestic violence Domestic violence does not discriminate It will destroy you if you let it Its purpose is to steal kill and destroy you and whatever stands in its way Don't be a victim of domestic violence understand what love is I'm writing this book to save someone's life *When Humpty Shattered and the Hope Among the Pieces* C. D. Cubb, 2017-06-09

Domestic violence strips a person of their self worth and leaves emotional disability in its wake When Humpty Shattered and the Hope Among the Pieces is a retrospect perspective about walking out of domestic violence hiding from God and the trek back through the emotions that were left behind The story is based on one's view from life in the belly of the whale as the emotional sledge continued to beat me down The hope at the end is that God never let go but forged a new life from the shattered pieces **Shattered** Judith Coates, 2014-10-16 Emily Stuart had what she wanted a husband a nice home a popular well adjusted daughter and a good job Even though there were problems in their marriage she refused to accept how serious they were until that fateful night her world began to fall apart After her husband Ben was sent to jail for his part in a tragic accident Emily and her daughter Jenn moved to a new town to make a fresh start Instead of contentment she was forced into the battle of her life to save her daughter from drugs and living on the streets
