 Carolina Robinson s tale weaves her family s journal entries and letters with a novelist s narrative grace and spans the life of
 her tragic hero Frank Dawson as he attempts to navigate the country s new political social and moral landscape Dawson a
 man of fierce opinions came to this country as a young Englishman to fight for the Confederacy in a war he understood as a
 conflict over states rights He later became the editor of the Charleston News and Courier finding a platform of real influence
 in the editorial column and emerging as a voice of the New South With his wife and two children he tried to lead a life that
 adhered to his staunch principles equal rights rule of law and nonviolence unswayed by the caprices of popular opinion But
 he couldn t control the political whims of his readers As he wrangled diligently in his columns with questions of citizenship
 equality justice and slavery his newspaper rapidly lost readership and he was plagued by financial worries Nor could Dawson
 control the whims of the heart his Swiss governess became embroiled in a tense affair with a drunkard doctor which
