

Matilda Joslyn Gage:

She Who Holds The Sky

One of the most radical, far-sighted and articulate early feminists, Matilda Joslyn Gage was deliberately written out of history by an increasingly conservative suffrage movement. Equal in importance to Susan B. Anthony and Elizabeth Cady Stanton, she is all but unknown today. This monograph sets the record straight.

SALLY ROESCH WAGNER

She Who Holds The Sky Matilda Joslyn Gage

Peter Svenson

She Who Holds The Sky Matilda Joslyn Gage:

Matilda Joslyn Gage Sally Roesch Wagner,2002 *Matilda Joslyn Gage* Sally Roesch Wagner,1998 *The "War Scrap Book" of Matilda Joslyn Gage* Peter Svenson,2019-01-04 Although she was one of the leading thinkers and writers of the women s suffrage movement Matilda Joslyn Gage 1826 1898 was largely written out of history After working in collaboration with Elizabeth Cady Stanton and Susan B Anthony and after serving as president of the National Woman Suffrage Association Gage developed increasingly radical views on feminism religious liberty and equality under the law She eventually parted ways with the suffrage movement and founded the more progressive Woman s National Liberal Union In Witness to Rebellion award winning author Peter Svenson presents and examines Gage s last significant work a scrapbook that collects newspaper clippings about the Civil War from the 1860s onward Providing relevant contextual information Svenson formats the content of the scrapbook to transform this important artifact into a readable work that offers a new and engaging perspective on nineteenth century American history Gage s scrapbook sheds light on her thinking both as a feminist and a Union patriot as she lived through the bloodshed and upheaval of the war years and their aftermath Witness to Rebellion is a valuable resource not only for scholars of history women s studies and material culture but also for general readers with interest in women s suffrage and the Civil War

Encyclopedia of Women Social Reformers Helen Rappaport,2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world

Remarkable Women in New York History Helen Engel,Marilynn Smiley,2014-04-08 A history of the amazing women who have left their mark on the Empire State The significant events in New York State history are well known to educators students and New Yorkers alike But often the role that women played in these events has been overlooked In this book members of the American Association of University Women in New York State have meticulously researched the lives and actions of some of New York s finest women Some of the names are renowned like the great emancipator Harriet Tubman who settled in Auburn and some are less so such as Linda Tetor who fought for the rights of senior citizens in Steuben County and throughout the state Discover the stories of these indomitable women who

from Long Island and Manhattan to Buffalo and Fredonia have steered the course of New York's history from the colonial era through today

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Feminist Writings from Ancient Times to the Modern World Tiffany K. Wayne, 2011-10-17 Collecting more than 200 sources in the global history of feminism this anthology supplies an insightful record of the resistance to patriarchy throughout human history and around the world From writings by Enheduana in ancient Mesopotamia 2350 BCE to the present day manifesto of the Association of Women for Action and Research in Singapore Feminist Writings from Ancient Times to the Modern World A Global Sourcebook and History excerpts more than 200 feminist primary source documents from Africa to the Americas to Australia Serving to depict feminism as much broader and older than simply the modern struggle for political rights and equality this two volume work provides a more comprehensive and varied record of women's resistance cross culturally and throughout history The author's goal is to showcase a wide range of writers thinkers and organizations in order to document how resistance to patriarchy has been at the center of social political and intellectual history since the infancy of human civilization This work addresses feminist ideas expressed privately through poetry letters and autobiographies as well as the public and political aspects of women's rights movements

Amazons in America Keira V. Williams, 2019-03-06 With this remarkable study historian Keira V Williams shows how fictional matriarchies produced for specific audiences in successive eras and across multiple media constitute prescriptive solution oriented thought experiments directed at contemporary social issues In the process Amazons in America uncovers a rich tradition of matriarchal popular culture in the United States Beginning with late nineteenth century anthropological studies which theorized a universal prehistoric matriarchy Williams explores how representations of women centered societies reveal changing ideas of gender and power over the course of the twentieth century and into the present day She examines a deep archive of cultural artifacts both familiar and obscure including L Frank Baum's The Wizard of Oz series Progressive era fiction like Charlotte Perkins Gilman's utopian novel Herland the original 1940s Wonder Woman comics midcentury films featuring nuclear families and feminist science fiction novels from the 1970s that invented prehistoric and futuristic matriarchal societies While such texts

have at times served as sites of feminist theory Williams unpacks their cyclical nature and in doing so pinpoints some of the premises that have historically hindered gender equality in the United States Williams also delves into popular works from the twenty first century such as Tyler Perry s Madea franchise and DC Comics Warner Bros globally successful film Wonder Woman which attest to the ongoing presence of matriarchal ideas and their capacity for combating patriarchy and white nationalism with visions of rebellion and liberation Amazons in America provides an indispensable critique of how anxieties and fantasies about women in power are culturally expressed ultimately informing a broader discussion about how to nurture a stable equitable society

The Secret Life of Lady Liberty Robert Hieronimus, Laura E. Cortner, 2016-08-15 The goddess origins of the Statue of Liberty and her connections with the founding and the future of America Examines Lady Liberty s ties to Native American spiritual traditions the Earth Mother Roman goddesses Black Madonnas and Mary Magdalene Reveals the sharp contrast between depicting liberty as a female and the reality of women and other suppressed classes even today Explains how this Goddess of the New World inspires all people toward equality compassion peace keeping and environmental stewardship Uncovering the forgotten lineage of the Statue of Liberty Bob Hieronimus and Laura Cortner explain how she is based on a female symbol representing America on the earliest maps of the continent in the form of a Native American Queen The image of a woman symbolizing independence was embraced by the American revolutionaries to rally the populace against the King filling the role of Founding Mother and protector of the fledgling republic Incorporating Libertas the Roman goddess of freed slaves with Minerva Demeter Justice and the Indian Princess Lady Liberty is seen all over the nation s capital and on the seals and flags of many states Showing how a new appreciation for the Statue of Liberty as the American goddess can serve as a unifying inspiration for activism the authors explore how this Lady Liberty is a personification of America and its destiny They examine multiple traditions that influenced her symbolism from the Neolithic Earth Mother to Mary Magdalene Columbia and Joan of Arc while revealing the sharp contrast between depicting liberty as a female and the reality of women and other suppressed classes throughout history Their study of Liberty Enlightening the World led them to conclude that the empowerment of contemporary women is essential for achieving sustainable liberty for all Sounding the call for this Goddess of the New World to inspire us all toward peacekeeping nurturing compassion and environmental stewardship the authors explain how the Statue of Liberty serves as the conscience of our nation and is a symbol of both the myths that unite us and the diversity that strengthens us

Encyclopedia of Women and American Politics, Third Edition Lynne Ford, 2021-07-01 Encyclopedia of Women and American Politics Third Edition contains all the material a reader needs to understand the role of women throughout America s political history This informative A to Z volume contains hundreds of entries covering the people events and terms involved in the history of women and politics Entries include Abortion Alexandria Ocasio Cortez The birth control movement Black Lives Matter Hillary Rodham Clinton Deb Haaland Domestic violence Equal Rights Amendment ERA Glass ceiling League of

Women Voters MeToo movement Michelle Obama Sonia Sotomayor Elizabeth Warren and many more

The Encyclopedia of New York State Peter Eisenstadt, 2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

Sisters in Spirit Sally Roesch Wagner, 2011-06-28 This groundbreaking examination of the early influences on feminism may revolutionize feminist theory Distinguished historian and contemporary feminist scholar Sally Roesch Wagner has compiled extensive research to analyze the source of the revolutionary vision of the early feminists Elizabeth Cady Stanton Matilda Joselyn Gage and Lucretia Mott had formed friendships with their Native neighbors that enabled them to understand a world view far different and in many ways superior to the patriarchal one that existed at that time This is the provocative and compelling history of their struggle to bring equality and dignity to all women and the role played by the Haudenosaunee Iroquois women who modelled the position women could occupy in society

The House of My Sojourn Jane S. Sutton, 2010-11-30 Envisions the relationship between women and rhetoric as a house a structure erected in ancient Greece by men that historically has made room for women but has also denied them the authority and agency to speak from within

The Myth of Seneca Falls Lisa Tetrault, 2014 Myth of Seneca Falls Memory and the Women s Suffrage Movement 1848 1898

Women with 2020 Vision Jeanne Stevenson-Moessner, 2020-10-06 Women haven t always had the right to vote From such diverse voices as John Stuart Mill and Cokie Roberts the absolute right of both women and men to vote has been affirmed And yet resistance to women s suffrage even by women themselves has a long and painful history In this exciting volume thirteen theologians and religious leaders in America look back at the historic victory in 1920 when women in the United States won the right to vote They then assess the current situation and speak into the future Women with 2020 Vision American Theologians on the Voice Vote and Vision of Women commemorates the 100th anniversary of women in the United States obtaining the right to vote a story that must be told and retold and reflected upon in light of the

current sociopolitical theological realities Sanctuary in Pieces Laura Madokoro, 2024-10-15 Over the past two decades the Sanctuary City movement has resulted in hundreds of jurisdictions declaring themselves safe spaces for undocumented migrants and people without status Although they often draw on historical precedent public sanctuary efforts amongst settler societies are markedly different from how refuge was conceptualized in the past To explore these broad shifts Sanctuary in Pieces looks at the history of protection and hospitality in Montreal Mooniyaang Tiohti ke over two hundred years Laura Madokoro traces the movements and experiences of fugitives from slavery wanted criminals internationally renowned anarchists and war resisters before turning to instances of public sanctuary practices since the 1970s As people sought and forged refuge they navigated a web of social connections political agendas and economic realities testing the notion of the city and whom it was for Even as those in search of sanctuary imagined and often enacted possible futures in the city sanctuary was far from easy it lay in an underground marked by refusal and denial selective compassion and solidarity and sometimes outright animosity This contested and tumultuous history offers a profound challenge to the symbolism and substance of contemporary sanctuary city efforts Conceptually innovative Sanctuary in Pieces speaks to activist and policy considerations in the present the making and unmaking of community and how historical practice can accommodate silence in studies of intimate experiences of mobility and on occasion refuge Archaeologists as Activists M. Jay Stottman, 2010 Examines the various ways in which archaeologists can and do use their research to forge a partnership with the past and guide the ongoing dialogue between the archaeological record and various contemporary stakeholders Could archaeologists benefit contemporary cultures and be a factor in solving world problems Can archaeologists help individuals Can archaeologists change the world These questions form the root of archaeology activism or activist archaeology using archaeology to advocate for and affect change in contemporary communities Archaeologists currently change the world through the products of their archaeological research that contribute to our collective historical and cultural knowledge Their work helps to shape and reshape our perceptions of the past and our understanding of written history Archaeologists affect contemporary communities through the consequences of their work as they become embroiled in controversies over negotiating the past and the present with native peoples Beyond the obvious economic contributions to local communities caused by heritage tourism established on the research of archaeologists at cultural sites archaeologists have begun to use the process of their work as a means to benefit the public and even advocate for communities In this volume Stottman and his colleagues examine the various ways in which archaeologists can and do use their research to forge a partnership with the past and guide the ongoing dialogue between the archaeological record and the various contemporary stakeholders They draw inspiration and guidance from applied anthropology social history public history heritage studies museum studies historic preservation philosophy and education to develop an activist approach to archaeology theoretically methodologically and ethically *Historical and Archaeological Perspectives on Gender Transformations* Suzanne M.

Spencer-Wood,2012-12-09 In many facets of Western culture including archaeology there remains a legacy of perceiving gender divisions as natural innate and biological in origin This belief follows that men are naturally pre disposed to public intellectual pursuits while women are innately designed to care for the home and take care of children In the interpretation of material culture accepted notions of gender roles are often applied to new findings the dichotomy between the domestic sphere of women and the public sphere of men can color interpretations of new materials In this innovative volume the contributors focus explicitly on analyzing the materiality of historic changes in the domestic sphere around the world Combining a global scope with great temporal depth chapters in the volume explore how gender ideologies identities relationships power dynamics and practices were materially changed in the past thus showing how they could be changed in the future *The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony* Ann D. Gordon,2009-06-10 Their Place Inside the Body Politic is a phrase Susan B Anthony used to express her aspiration for something women had not achieved but it also describes the woman suffrage movement s transformation into a political body between 1887 and 1895 This fifth volume opens in February 1887 just after the U S Senate had rejected woman suffrage and closes in November 1895 with Stanton s grand birthday party at the Metropolitan Opera House At the beginning Stanton and Anthony focus their attention on organizing the International Council of Women in 1888 Late in 1887 Lucy Stone s American Woman Suffrage Association announced its desire to merge with the national association led by Stanton and Anthony Two years of fractious negotiations preceded the 1890 merger and years of sharp disagreements followed Stanton made her last trip to Washington in 1892 to deliver her famous speech Solitude of Self Two states enfranchised women Wyoming in 1890 and Colorado in 1893 but failures were numerous Anthony returned to grueling fieldwork in South Dakota in 1890 and Kansas and New York in 1894 From the campaigns of 1894 Stanton emerged as an advocate of educated suffrage and staunchly defended her new position

The Historian's Wizard of Oz Ranjit S. Dighe,2002-06-30 The Historian s Wizard of Oz synthesizes four decades of scholarly interpretations of L Frank Baum s classic children s novel as an allegory of the Gilded Age political economy and a comment on the gold standard The heart of the book is an annotated version of The Wizard of Oz that highlights the possible political and monetary symbolism in the book by relating characters settings and incidents in it to the historical events and figures of the 1890s the decade in which Baum wrote his story Dighe simultaneously values the leading political interpretations of Oz as useful and creative teaching tools and consolidates them in a sympathetic fashion yet he rejects the commonly held and by now well debunked view that those interpretations reflect Baum s likely motivations in writing the book The result is a unique way for readers to acquaint themselves with a classic of children s literature that is a bit different and darker than the better known film version Students of history and economics will find two great stories the dramatic rise and fall of monetary populism and William Jennings Bryan and the original rendering of a childhood story that they know and love This study draws on several worthy versions of the Oz as Populist parable thesis but it also separates the reading of

Baum's book in this manner from Baum's original intentions. Despite an incongruence with Baum's intent, reading the story as a parable continues to provide a remarkable window into the historical events of the 1890s and thus constitutes a tremendous teaching tool for historians, economists, and political scientists. Dighe also includes a primer on gold, silver, and the American monetary system as well as a brief history of the Populist movement.
