

The Modern Prometheus

- Mary Shelley's subtitle for *Frankenstein* is "The Modern Prometheus"
- In Greek Mythology, the titan Prometheus stole fire from the sun and gave it to humanity.
- This angered the Greek god Zeus who did not want humans to control fire.
- He was punished by being chained to a rock while an eagle would feast on his liver.
- The Prometheus Myth has **become a metaphor** of what happens when humans get a hold of something they cannot control and reach beyond their ability.

Shelleys Myth Of Metaphor
