Secret Statistics of Getting Rich & Positive Mental Attitude (Collection of 3 Books) The Science of Getting Rich/ Money-Making Men; Or, How To Grow Rich/ Success Through a Positive Mental Attitude Wallace Delois Wattles,2025-02-10 Secret Statistics of Getting Rich Or How To Grow Rich Success Through a Positive Mental Attitude by Wallace Delois Wattles J Ewing Ritchie Napoleon Hill Unlock the secrets of wealth and success with this collection of three transformative books The Science of Getting Rich Money Making Men Or How To Grow Rich and Success Through a Positive Mental Attitude offer invaluable insights into achieving prosperity and maintaining a positive mindset Cognitive Investing Rich Willis,2011-03-03 Investors ask the wrong questions Will the stock market rise or fall in the next month What is the best place to put my money right now Will interest rates rise or fall Will the economy improve or get worse What will be the best performing stock during the next year The problem with all of these questions is that the answers are unknowable and will always be so Dwelling on the unknowable is a fruitless quest that will not bring investors any closer to achieving long term financial goals Our fundamental problem is that we are using the wrong part of the brain Cognitive Investing explains how to make investment decisions using the portion of the brain better suited for the task and answers the questions investors should be asking What is the relationship between the economy and the stock market What is the difference between investing and gambling Why is selling much more difficult than buying How important is diversification Why do natural psychological urges lead us to make poor investing decisions Understanding the answers to these and many more essential questions will profoundly and fundamentally transform the way you approach investing **Be A Shortcut** Scott G. Halford,2008-12-22 Shortcut is the new catchphrase that identifies high quality influence and value in employees and executives Be A Shortcut is a business book that provides new frameworks and tactics to help a broad range of individuals become the professionals their company can't live without The book shows you how to actually become a Shortcut using Halford's proven Shortcut success formula You'll gain more influence become more valuable get promoted faster find better customers get better raises no matter what you do Shortcut is a way of thinking a way of doing a way of being and when you commit yourself to it you'll write your own ticket to wherever you want to go **Success Through A Positive Mental Attitude** Napoleon Hill,W. Stone,2009-12-01 The bestselling self help classic that has helped millions promoting positive mental attitude as a key to personal success Your mind has a secret invisible talisman On one side is emblazoned the letters PMA positive mental attitude and on the other the letters NMA negative mental attitude A positive attitude will naturally

attract the good and the beautiful The negative attitude will rob you of all that makes life worth living Your success health happiness and wealth depend on how you make up your mind When motivational pioneer Napoleon Hill and millionaire CEO W Clement Stone teamed up to form one of the most remarkable partnerships of all time the result was Success Through a Positive Mental Attitude the phenomenon that proposed to the world that with the right attitude anyone can achieve his or her dreams Now this remarkable book is available for the twenty first century You too can take advantage of the program that has brought success to generations of people seeking and finding a better way to live *Ethno-erotic Economies* George Paul Meiu, 2017-10-10 *Ethno erotic Economies* explores a fascinating case of tourism focused on sex and culture in coastal Kenya where young men deploy stereotypes of African warriors to help them establish transactional sexual relationships with European women In bars and on beaches young men deliberately cultivate their images as sexually potent African men to attract women sometimes for a night in other cases for long term relationships George Paul Meiu uses his deep familiarity with the communities these men come from to explore the long term effects of markets of ethnic culture and sexuality on a wide range of aspects of life in rural Kenya including kinship ritual gender intimate affection and conceptions of aging What happens to these communities when young men return with such surprising wealth And how do they use it to improve their social standing locally By answering these questions *Ethno erotic Economies* offers a complex look at how intimacy and ethnicity come together to shape the pathways of global and local trade in the postcolonial world

Dangerous Pleasures Gail Hershatter, 2023-09-01 This pioneering work examines prostitution in Shanghai from the late nineteenth century to the present Drawn mostly from the daughters and wives of the working poor and declass elites prostitutes in Shanghai were near the bottom of class and gender hierarchies Yet they were central figures in Shanghai urban life entering the historical record whenever others wanted to appreciate castigate count regulate cure pathologize warn about rescue eliminate or deploy them as a symbol in a larger social panorama Over the past century prostitution has been understood in many ways as a source of urbanized pleasures a profession full of unscrupulous and greedy schemers a changing site of work for women a source of moral danger and physical disease a marker of national decay and a sign of modernity For the Communist leadership of the 1950s the elimination of prostitution symbolized China's emergence as a strong healthy and modern nation In the past decade as prostitution once again has become a recognized feature of Chinese society it has been incorporated into a larger public discussion about what kind of modernity China should seek and what kind of sex and gender arrangements should characterize that modernity Prostitutes like every other non elite group did not record their own lives How can sources generated by intense public argument about the larger meanings of prostitution be read for clues to those lives Hershatter makes use of a broad range of materials guidebooks to the pleasure quarters collections of anecdotes about high class courtesans tabloid gossip columns municipal regulations prohibiting street soliciting police interrogations of streetwalkers and those accused of trafficking in women newspaper reports on court cases

involving both courtesans and streetwalkers polemics by Chinese and foreign reformers learned articles by Chinese scholars commenting on the world history of prostitution and analyzing its local causes surveys by doctors and social workers on sexually transmitted disease in various Shanghai populations relief agency records fictionalized accounts of the scams and sufferings of prostitutes memoirs by former courtesan house patrons and interviews with former officials and reformers Although a courtesan may never set pen to paper we can infer a great deal about her strategizing and working of the system through the vast cautionary literature that tells her customers how not to be defrauded by her Newspaper accounts of the arrests and brief court testimonies of Shanghai streetwalkers let us glimpse the way that prostitutes positioned themselves to get the most they could from the legal system Without recourse to direct speech Hersatter argues these women have nevertheless left an audible trace Central to this study is the investigation of how things are known and later remembered and how later still they are simultaneously apprehended and reinvented by the historian This pioneering work examines prostitution in Shanghai from the late nineteenth century to the present Drawn mostly from the daughters and wives of the working poor and declass elites prostitutes in Shanghai were near the bottom of class and gender hierarchy
