Long Live The Lobbys:

Will the Vampire People Please Leave the Lobby? Allyson Beatrice, 2007 Allyson Beatrice lives a not quite ordinary life Her job and almost everyone she knows are the result of spending too much time on the Internet talking about vampires slayers and lesbian witches And her encounters are even more unusual than you d imagine A hilarious collection of true stories from Allyson s days as one of the Internet s leading cult TV fan gurus her mind boggling escapades include meetings with network executives in dark steakhouses to try to save doomed TV shows and one hastily arranged wedding for two committed Buffy fans Honest emotional and side splittingly snarky Allyson Beatrice brings a fresh voice to these wild but true stories Will the Vampire People Please Leave the Lobby welcomes you to a fun and sometimes bizarre world where stupidity frustrates wit triumphs and connections are made in most unlikely ways a world in fact not too different from our own

Investigation United States. Congress. Senate. Committee on the Judiciary, 1930 Charges Against Members of the House and Lobby Activities of the National Association of Manufacturers of the United States and Others United States. Congress. House. Select Committee on Lobby Investigation, 1913 **Lobby Investigation: October 15-18, 21-23, 1929** United States. Congress. Senate. Committee on the Judiciary, 1930 *Media Mediocrity-Waging War Against Science*

Richard Zurawski, 2011-03-01T00:00:00Z We have all at some point seen science in action on television Whether it was a show about disasters or weather nature or the universe a science commentator even a crime show depicting forensic evidence we have all gleaned tidbits of scientific information while being entertained by our televisions Or have we From science channels and documentaries to fictional and children s programming television brings a myriad of scientific discoveries and theories into the homes of people around the world But how accurately do these programs represent science In Media Mediocrity television producer and broadcaster Richard Zurawski argues that the science we learn on television is inaccurate misleading and sometimes even dangerous Dealing with issues such as tobacco consumption global warming and Intelligent Design and a host of pseudoscientific pursuits like UFOs ghosts and the afterlife Media Mediocrity examines how television producers pursuit of ratings and profit trump any desire to provide the audience with an accurate knowledge of science and argues that there are real consequences for this lack of knowledge Four out of five viewers gather the bulk of their scientific knowledge from television making television an important intermediary between society and its understanding of science If television gives us misleading or blatantly false scientific information how can we hope to make informed decisions about scientific issues Equally importantly who is it that is feeding us this false science And what do they gain from

doing so If you think your TV has made you an expert then read this book and think again **Maintenance of a Lobby to Influence Legislation** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on S. Res. 92,1913

The One Percent Solution Gordon Lafer,2017-04-04 In the aftermath of the 2010 Citizens United decision it s become commonplace to note the growing political dominance of a small segment of the economic elite But what exactly are those members of the elite doing with their newfound influence The One Percent Solution provides an answer to this question for the first time Gordon Lafer s book is a comprehensive account of legislation promoted by the nation s biggest corporate lobbies across all fifty state legislatures and encompassing a wide range of labor and economic policies In an era of growing economic insecurity it turns out that one of the main reasons life is becoming harder for American workers is a relentless and concerted offensive by the country s best funded and most powerful political forces corporate lobbies empowered by the Supreme Court to influence legislative outcomes with an endless supply of cash These actors have successfully championed hundreds of new laws that lower wages eliminate paid sick leave undo the right to sue over job discrimination and cut essential public services Lafer shows how corporate strategies have been shaped by twenty first century conditions including globalization economic decline and the populism reflected in both the Trump and Sanders campaigns of 2016 Perhaps most important Lafer shows that the corporate legislative agenda has come to endanger the scope of democracy itself For anyone who wants to know what to expect from corporate backed Republican leadership in Washington D C there is no better guide than this record of what the same set of actors has been doing in the state legislatures under its control **Words**

Throughout a distinguished many faceted career Joel Z Wagman QC has been an entrepreneur and innovator playing key roles in numerous industries including telecommunications automotive computing entertainment real estate waste management hospitality and investment banking Mr Wagman has also served on the board of directors of several private and public companies in both financial and executive capacities Although still engaged in corporate finance he is also an historian scholar and author of the acclaimed Enemies and Allies Seven Days of Destiny and and The Manuscript The Life and Times Of James Weymore Congressional Record United States. Congress,1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Wordsworth Dictionary of Synonyms and Antonyms** Martin H. Manser,1998

This dictionary aims to help users to find the most appropriate word to use on a wide range of occasions It is designed in

particular for students those writing reports letters and speeches and crossword solvers but is also useful as a general word reference Special features include an alphabetical A Z listing numbered senses for words with more than one meaning British and American variants and specially marked colloquial uses The California Weekly ,1908 **Organise or Die?** Raphaël Botiveau,2017-12-01 The story of one of the leading trade unions in South Africa the National Union of Mineworkers and its role in the struggle against white minority rule Organise or Die Democracy and Leadership in South Africa s National Union of Mineworkers NUM is the first in depth study of one of the leading trade unions in the country Founded in 1982 the trade union played a key role in the struggle against white minority rule before turning into a central protagonist of the ruling Tripartite Alliance after apartheid Deftly navigating through workerist social movement and political terrains that shape the South African labour landscape this book sheds light on the path that led to the unprecedented 2012 Marikana massacre the dissolution of the Congress of South African Trade Unions Cosatu federation and to fractures within the African National Congress ANC itself Working with the notions of organisational agency and strategic bureaucratisation Rapha l Botiveau shows how the founding leadership of NUM built their union s structures with a view to mirror those of the multinational mining companies NUM faced Good leadership proved key to the union s success in recruiting and uniting mineworkers and NUM became an impressive school for union and political cadres producing a number of South Africa s top post apartheid leaders An incisive analysis of leadership styles and strategies shows how the fragile balance between an increasingly distant leadership and an increasingly militant membership gradually broke down Botiveau provides a compelling narrative of NUM s powerful history and the legacy of its leadership It will appeal to a broad readership including journalists students and social sciences scholars interested in South Africa s contemporary politics and labour history Garner's Modern American Usage Bryan Garner,2009-07-28 Since first appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU

Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none The New Excelsior Dictionary ,1887 **Recollections** Alexis de Tocqueville,2017-09-29 Tocqueville was not only an active participant in the French Revolution of 1848 he was also a deeply perceptive observer with a detached attitude of mind He saw the pitfalls of the course his country was taking more clearly than any of his contemporaries including Karl Marx Recollections was first written for self clarification It is both an exciting candid behind the scenes account of what actually happened during those tumultuous months and a remarkably shrewd analysis that has become an accurate forecast of future societies wrestling with the dilemma of synthesizing equality and freedom Thus the book has a relevance that extends beyond France to our own country and others a relevance that is explored in J P Mayer s new introduction Out of print in English for several years Recollections is presented here in a translation based on the definitive French edition of 1964 It captures the wit and subtlety of mind that have made this book one of the most popular of all Tocqueville s works Tocqueville s own comments which he wrote into the manuscript including his variants are given and the editors have added explanatory notes
