33 Traditional Native American Songs for Tongue Drum and Handpan Helen Winter, 2021 Music is an integral part of the life of the Native Americans playing a key role in ceremonies recreational activities self expression and healing Many different instruments are used in Native American music including drums flutes and other percussion instruments These songs were adapted here for Tongue Drum and Handpan and they are possible to play on most drum models The steel tongue drum aka tong drum tank drum gluck o phone hapi or steeldrum and the handpan aka hank drum UFO drum zen drum meditation healing yoga or chakra drum are percussion musical instruments designed to help you focus on your feelings sensations and body In musical science a unique Native

American style of singing can be distinguished. It is characterized by rhythmic breathing, a tense voice and syllabic sounds being more important than lyrics. These technical features helped the shaman achieve a trance state. Although the tongue drum is a modern musical instrument, it is perfectly suitable for any tribal song. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If your drum has flat keys, it is recommended that you use the classic sheet music for the piano. We write the note numbers above the notes because our sheet music is aimed at absolute beginners. Just follow numbers and enjoy. Here you can find traditional songs handed down from generation to generation, ceremonial such as corn grinding or moccasin game songs or healing songs. Also, we add a QR code to most songs. Follow the link and find this song on YouTube so that you can listen to the rhythm before beginning to play. Which tongue drum are these songs suitable for? Each tongue drum is very different, and it is impossible to accommodate songs for all kinds of tongue drums in one book. The songs which have been collected in this book can be played on most drum models. If you have less than 1 octave of keys on your drum, you may need to skip some songs. However, if your drum has many sharp notes, you will need a book that contains chromatic songs. Here we have collected only simplified diatonic melodies.

Many different instruments are used in Native American music, including drums, flutes, and other percussion instruments. This book is suitable for most models of handpan, but if you have a tongue drum, it should have a minimum of 10 keys because many songs in this book involve more than one octave notes. The steel tongue drum aka tong drum, tank drum, gluck o phone, hapi, or steeldrum, and the handpan aka hank drum, UFO drum, zen drum, meditation healing, or chakra drum, are percussion musical instruments designed to help you focus on your feelings, sensations, and body. You don't need classical music training or knowledge of music theory to play them. The main purpose is relaxation, meditation, and traveling through your inner world.
