involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today and gave each book a unique hand crafted feel in its text that connected the reader organically to the art of bindery and book making We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning and their vintage feel provides a connection to the past that goes beyond the mere words of the text Poems by Henry Wadsworth Longfellow Complete in Two Volumes Henry Wadsworth Longfellow,2017-08-20
