late work which he kept writing until his death Accompanied by Ben Mazer's illustrative notes and introduction *The Collected Poems of Delmore Schwartz* offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life

and was deeply involved finding solutions to its problems Amichai was also a great admirer of women The analysis of his tempestuous love life helps shed light on important aspects of his prose and poetry Several chapters are also devoted to the background and influence of Amichai's works in genres other than poetry including his two novels and a collection of short stories his radio plays and his children's poetry *Dawn of the Senses: Selected Poems* Alberto Blanco, 1995-11 An impressive selection in bilingual format from the work of one of Mexico's greatest contemporary writers Born in Mexico City in 1951 Alberto Blanco is a dynamic and influential voice in the new poetry of Mexico A musician artist essayist translator and storyteller his poetry explores the connections on frontiers between verbal visual and aural experience He is both an innovator and a classicist a materialist and a mystic a visionary and a chronicler of everyday life Here his poems converse with their English translations to create a singular book not simply a bilingual edition but one unified voice a poetry that speaks of a world far beyond languages and borders from the introduction by Jose Emilio Pacheco *Anxious to Please* Nicholas Moore, 1995
