Song Dynasty Figures of Longing and Desire Lara C.W. Blanchard, 2018-06-05 This book is the winner of the 2020 Joseph Levenson Pre 1900 Book Prize awarded by the Association for Asian Studies In *Song Dynasty Figures of Longing and Desire* Lara Blanchard analyzes images of women in painting and poetry of China's middle imperial period focusing on works that represent female figures as preoccupied with romance She discusses examples of visual and literary culture in regard to their authorship and audience examining the role of interiority in constructions of gender exploring the rhetorical functions of romantic images and considering connections between subjectivity and representation The paintings in particular have sometimes been interpreted as simple representations of the daily lives of women or as straightforward artifacts of heteroerotic desire Blanchard proposes that such works could additionally be interpreted as political allegories representations of the artist's or patron's interiorities or models of idealized femininity

Sacred Longings Mary C. Grey, 2004 This book explores what is happening to the human spirit in a culture shaped and driven by globalization a culture where dreams imaginations and desires are all manipulated What do we really want Noted theologian Mary Grey believes we have gotten out of touch with our deepest desires and that the root problem is our acquiescence in global capitalism's most problematic characteristics Story and symbol she argues can put us back in touch with our sacred longings Focusing on such simple yet profound symbols as water light and sacred space she tries to reinstill a spiritual quest In the end she envisions spirituality a kind of esomystical renewal as an element in the transformation of desire lived out in Christian community For desire to be reborn for sacred longings even to be named not to mention fulfilled there needs to be an embracing of the way of renunciation simplicity and sacrifice And that is counter cultural As Part One looks at how our culture has lost heart and Part Two analyzes restless hearts Part Three asks us to take heart and rekindle our thirst for righteousness
