**Look Closer** David R. Coon, 2013-12-17 In recent years the media landscape in the United States has followed a pattern similar to that of the physical landscape by becoming increasingly suburbanized Although it is a far cry from reality the fantasy of a perfect suburban life still exists in the collective imagination of millions of Americans This dream of suburban perfection is built around a variety of such ideologically conservative values and ideals as the importance of tradition the centrality of the nuclear family the desire for a community of like minded neighbors the need for clearly defined gender roles and the belief that with hard work and determination anyone can succeed Building on the relationships between suburban life and American identity Look Closer examines and interprets recent narratives that challenge the suburban ideal to reveal how directors and producers are mobilizing the spaces of suburbia to tell new kinds of stories about America David R Coon argues that the myth of suburban perfection popularized by postwar sitcoms and advertisements continues to symbolize a range of intensely debated issues related to tradition family gender race and citizenship Through close examinations of such films as American Beauty The

Truman Show and Mr Mrs Smith as well as such television series as Desperate Housewives Weeds and Big Love the book demonstrates how suburbia is used to critique the ideologies that underpin the suburban American Dream **The Study of Nature by Months** Alice Jean Patterson,1923 **Pondlife** Al Alvarez,2013-02-14 From the author of The Savage God a unique memoir of growing old and a lesson in not going gently into that good night The ponds of Hampstead Heath are small oases fragments of wild nature nestled in the heart of north west London For the best part of his life Al Alvarez poet critic novelist rock climber and poker player has swum in them almost daily An athlete in his youth Alvarez chronicles what it is to grow old with humour and fierce honesty from his relentlessly nagging ankle which makes daily life a struggle to infuriating bureaucratic battles with the council to keep his disabled person s Blue Badge the devastating effects of a stroke and the salvation he finds in the three Ss Swimming Sex and Sleep As Alvarez swims in the ponds he considers how it feels when you begin to miss that person you used to be to miss yourself Swimming is his own private form of protest against the onslaught of time proof to others and himself that he s not yet beaten By turns funny poetic and indignant Pondlife is a meditation on love the importance of life s small pleasures and above all a lesson in not going gently in to that good night
