Look Back On Death:

Look Back on Death Dell Shannon, 2014-07-14 Dick Tredgold has spent seven years in jail for a murder he insists he did not commit. Now eligible for parole, he refuses to apply because he feels that by doing so he would acknowledge his guilt. His family at their wit's end appeal to Jesse Falkenstein for help. Falkenstein realises the only way of getting Tredgold to leave prison is to identify the real murderer, no easy task in an eight year old investigation. And when Jesse re-examines the case, he begins to discover that not all the witnesses were as reliable as they had seemed. My favourite American crime writer New York Herald Tribune

Stalking Death and Other Ill-Advised Dating Techniques Mercy Hollow, 2021-12-10 I didn't realize what a piece of crap I was until I died. The Grim, the post-mortem chaperone who collected me, is the crankiest Death in the greater Kansas City area. Understandable since her job is to bag the souls of the worthless and rotten. Apparently, I'm so crummy they made me her apprentice. There are so many other kinds of Death, and of all of them, I get lassoed to Miss Buzzkill, who loves to remind me I'm hers with her big green gargoyle finger pointing and giving me her spooky come hither. As the Grim's new involuntary Lackey, some of the rules are easy: Avoid inter-office conflicts. Mind your own Death's business. Shelve your souls before exiting the locker room. No Death Suits in the hot tub. But other dos and don'ts I just can't handle. Never getting a love of my life. Giving up the love of my death. In my new hereafter, the Grim gives me two options: stay and help her take souls, including the love of my death, or refuse and condemn those souls to nothingness forever. I'm opting for door number three: sacrificing myself to get back to life. Which I'm pretty sure I can do if I can get the most spine-tingling jeebie making Death in the Underworld to shove me in his moan-oozing Gray Box of the Unknown. It's not like I'd come back as a possum. Right? If you like snarky, warm-hearted page-turners with out-of-the-ordinary characters, you'll love *Stalking Death*. Follow seventeen-year-old Tyro and the other quirky Deaths of Kansas City in this darkly comedic young adult fantasy. Buy *Stalking Death* today to start reading Tyro's sparkingly irregular belly flop into the afterlife. *Death Talk*

Margaret A. Somerville, 2001 Argues that people who promote the legalization of euthanasia ignore the vast ethical, legal, and social differences between euthanasia and natural death. Permitting euthanasia, Somerville demonstrates, would cause irreparable harm to respect for human life and society. Cover

Walking Forward, Looking Back Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog. It is a touchingly honest work written straight from the heart. The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London. The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve. Divorce and single parenthood accompany her career journey while living alone escorts her into retirement. It is then that fortune takes a hand, or rather a paw, and brings Harriet the dog into her life. This may just have been the coming together of chance and good timing, but destiny or happy accident, it was certainly a blessing. It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries. Together they share their walks, taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway, one with an unfamiliar landscape, a one-way journey into growing old. This is a voyage of discovery, one that promises many unexpected new experiences, not the least of which is their most recent pastime: sheepherding.
