Weaving Chiapas Barbara Schütz, 2018-02-08 In the highlands of Chiapas Mexico a large indigenous population lives in rural communities many of which retain traditional forms of governance In 1996 some 350 women of these communities formed a weavers cooperative which they called Jolom Mayaetik Their goal was to join together to market textiles of high quality in both new and ancient designs Weaving Chiapas offers a rare view of the daily lives memories and hopes of these rural Maya women as they strive to retain their ancient customs while adapting to a rapidly changing world Originally published in Spanish in 2007 this book captures firsthand the voices of these Maya artisans whose experiences including the challenges of living in a highly patriarchal culture often escape the attention of mainstream scholarship Based on interviews conducted with members of the Jolom Mayaetik cooperative the accounts gathered in this volume provide an intimate view of women's life in the Chiapas highlands known locally as Los Altos We learn about their experiences of childhood marriage and childbirth about subsistence farming and food traditions and about the particular styles of clothing and even hairstyles that vary from community to community Restricted by custom from engaging in public occupations Los Altos women are responsible for managing their households and caring for domestic animals But many of them long for broader opportunities and the Jolom Mayaetik cooperative represents a bold effort by its members to assume control over and build a wider market for their own work This English language edition features color photographs published here for the first time depicting many of the individual women and their stunning textiles A new preface chapter introductions and a scholarly afterword frame the women's narratives and place their accounts within cultural and historical context

Crip Colony Sony Coráñez Bolton, 2023-01-16 In *Crip Colony* Sony Cor ez Bolton examines the racial politics of disability mestizaje and sexuality in the Philippines Drawing on literature poetry colonial records political essays travel narratives and visual culture Cor ez Bolton

traces how disability politics colluded with notions of Philippine mestizaje He demonstrates that Filipino mestizo writers in the late nineteenth and early twentieth centuries used mestizaje as a racial ideology of ability that marked Indigenous inhabitants of the Philippines as lacking in civilization and in need of uplift and rehabilitation Heteronormative able bodied and able minded mixed race Filipinos offered a model and path for assimilation into the US empire In this way mestizaje allowed for supposedly superior mixed race subjects to govern the archipelago in collusion with American imperialism By bringing disability studies together with studies of colonialism and queer of color critique Cor ez Bolton extends theorizations of mestizaje beyond the United States and Latin America while considering how Filipinx and Filipinx American thought fundamentally enhances understandings of the colonial body and the racial histories of disability *Research in Education*, 1969
