Looking For Ginger North:

Looking for Ginger North John Dunning, 2013-11-26 At a California racetrack an ex cop investigates the mystery of his mother's suicide in this haunting novel from the two time Edgar nominee The old wooden tower looms over the racetrack an eyesore that is too famous to tear down To Wes Harrison it is more than an architectural curiosity it is a bitter reminder of Ginger North the track employee who three decades earlier leapt from the tower to her death Around the track she is a legend something to reminisce about in between races but to Harrison Ginger North is much more she was his mother A troubled ex cop Harrison drifts into the world of the racetrack as a way of connecting with his mother's spirit Armed with a few old case files he takes a job on the grounds seeking answers about Ginger's death Standing in his way are certain people jockeys trainers grooms and owners who do not want the truth to come out Conflict is natural among those who work with horses but at this track the competition could be deadly Mystery Fanfare Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **The Mystery Fancier (Vol. 4 No. 3)** Guy M. Townsend, 2010-09-01 The Mystery Fancier May June 1980 Volume 4 Number 3 contains The Nero Wolfe Saga Part XIX by Guy M Townsend Vladimir Gull by Theodore P Dukeshire and Spy Series Characters in Hardback Part II by George Kelley AZ Murder Goes...Professional Barbara G Peters, 2010-01-31 Follow five writers Joanne Dobson John Dunning Nicholas Kilmer Nancy Pickard and William G Tapply along the professional paths that led to their books and the creation of characters who live on in the mind once the book's covers are closed **The Bookwoman's Last Fling** John Dunning, 2006-05-23 As a young man New York Times bestselling author John Dunning earned his living for several years working behind the scenes on the racetrack circuit Now he brings his memories of the horse world and his expertise in collectible books to this mesmerizing new Bookman novel rich with the lore of both books and horses Denver bookman Cliff Janeway would have liked Candice Geiger She loved books with a true bookwoman's passion Her collection of first edition children's books is the best that Janeway ever hopes to see Sadly Janeway and Candice Geiger will never meet She died much too young Now twenty years later her books remain a testament to an extraordinary woman's remarkable vision Janeway first learns about the juvenilia collection when Candice's elderly husband H R Geiger passes away and Janeway travels to their Idaho home to assess the collection The estate can't be distributed until the books are valued so there's pressure on Janeway to do the job quickly But one look at the books tells Janeway something's wrong Valuable titles are missing replaced by cheap reprints Other hugely valuable pieces remain Why would a thief take one priceless book and leave an equally valuable volume on the shelf The answer may lie in Candice's story The daughter of a wealthy industrialist she married horse owner and trainer H R Geiger at a young age They traveled the racetrack circuit with

some success as evidenced by winner's circle photographs in which Candice is always a mysterious background figure dressed in white. Two decades after Candice's strange death, Janeway finds himself deep in a book mystery that may turn out to be much more than a cataloging exercise. It may even involve murder. Candice's daughter Sharon may be one of the few people who can help Janeway discover the truth. Sharon has her own Idaho ranch where she takes in sick and injured horses. Janeway worries that her house contains something that could make her very vulnerable. Half of her mother's fabulous book collection. The trail of Candice's shadowy past leads Janeway to California's Golden Gate and Santa Anita racetracks where he signs on as a racehorse hot walker. A novice at racetrack life, he tries to remain inconspicuous while listening to the chatter among the hands. He doesn't like what he hears. And when he goes to the house where Candice died to look for answers, he finds more than he bargained for. With its rich mix of books and horses, *The Bookwoman's Last Fling* is a classic entry in John Dunning's acclaimed Bookman series of suspense novels, sure to bring this superbly talented author even more accolades.

The Bookman's Promise John Dunning, 2004-03-09. Cliff Janeway is back. *The Bookman's Promise* marks the eagerly awaited return of Denver bookman author John Dunning and the award-winning crime novel series that helped to turn the nation on to first edition book collecting. First it was *Booked to Die*, then *The Bookman's Wake*. Now John Dunning fans old and new will rejoice in *The Bookman's Promise*, a richly nuanced new Janeway novel that juxtaposes past and present as Denver ex-cop and bookman Cliff Janeway searches for a book and a killer. The quest begins when an old woman, Josephine Gallant, learns that Janeway has recently bought at auction a signed first edition by the legendary nineteenth-century explorer Richard Francis Burton. The book is a true classic telling of Burton's journey disguised as a Muslim to the forbidden holy cities of Mecca and Medina. The Boston auction house was a distinguished and trustworthy firm, but provenance is sometimes murky, and Josephine says the book is rightfully hers. She believes that her grandfather, who was living in Baltimore more than eighty years ago, had a fabulous collection of Burton material, including a handwritten journal allegedly detailing Burton's undercover trip deep into the troubled American South in 1860. Josephine remembers the books from her childhood, but everything mysteriously disappeared shortly after her grandfather's death. With little time left in her own life, Josephine begs for Janeway's promise: he must find her grandfather's collection. It's a virtually impossible task. Janeway suspects, as the books will no doubt have been sold and separated over the years, but how can he say no to a dying woman? It seems that her grandfather, Charlie Warren, traveled south with Burton in the spring of 1860, just before the Civil War began. Was Burton a spy for Britain? What happened during the three months of Burton's travels for which there are no records? How did Charlie acquire his unique collection of Burton books? What will the journal, if it exists, reveal? When a friend is murdered, possibly because of a Burton book, Janeway knows he must find the answers. Someone today is willing to kill to keep the secrets of the past, and Janeway's search will lead him east. To Baltimore, to a Pulitzer Prize-winning author with a very stuffed shirt, and to a pair of unorthodox booksellers. It reaches a fiery conclusion at Fort Sumter, off the coast of Charleston, South Carolina. What's

more a young lawyer Erin d Angelo and ex librarian Koko Bujak have their own reasons for wanting to find the journal But can Janeway trust them Rich with the insider s information on rare and collectible books that has made John Dunning famous and with meticulously researched detail about a mesmerizing figure who may have played an unrecognized role in our Civil War The Bookman s Promise is riveting entertainment from an extraordinarily gifted author who is as unique and special as the books he so clearly loves
