Looking Good:

Looking Good Margaret A. Lowe, 2003 Winner of the Bridgewater State College Class of 1950 Distinguished Faculty Research Award Toward the end of the nineteenth century as young women began entering college in greater numbers than ever before physicians and social critics charged that campus life posed grave hazards to the female constitution and women's reproductive health A girl could study and learn Dr Edward Clarke warned in his widely read 1873 book *Sex in Education* but she could not do all this and retain uninjured health and a future secure from neuralgia uterine disease hysteria and other derangements of the nervous system For half a century ideas such as Dr Clarke's framed the debate over a woman's place in higher education almost exclusively in terms of her body and her health For historian Margaret A Lowe this obsession offers one of the clearest expressions of the social and cultural meanings given to the female body between 1875 and 1930 At the same time the college girl was a novelty that tested new ideas about feminine beauty sexuality and athleticism In *Looking Good* Lowe examines the ways in which college women at three quite different institutions Cornell University Smith College and Spelman College regarded their own bodies in this period Contrasting white and black students single sex and coeducational schools secular and religious environments and Northern and Southern attitudes Lowe draws on student diaries letters and publications institutional records and accounts in the popular press to examine the process by which new twentieth century ideals of the female body took hold in America **Looking Good** Lynne Luciano, 2002-01-09 Men once dreaded being accused of vanity but now they are spending millions on fitness training bodybuilding hair replacement and cosmetic surgery in the relentless pursuit of physical perfection In this lively examination Luciano explores what this new world reveals about American society today Looking Good Feeling Great Ladies 50 and Over Nina Bagnall, 2009 Bagnall provides some of the best up to date information on how to stop lamenting one's age and start living life to its fullest *Looking Good Even When You're Dead* D.M.
