Collier's ,1924 **The Missionary Review of the World** ,1924 **The Missionary Review** ,1924 *The Pacific Reporter* ,1909 **History of the Pacific Northwest** ,1889 Wyoming Don Pitcher,2006-06-02 Each guide contains not only detailed information on the best transportation accommodation restaurant and sightseeing options but also custom maps and fascinating sidebars all the tools travelers need to make their own choices and create a travel strategy that is theirs alone **Nine Flying Objects** Gregory Long,2022-11-08 For decades controversy has raged over the existence of Unidentified Flying Objects UFOs seen by thousands of witnesses across the globe In June 2021 the Pentagon submitted a report to the US Congress admitting that jet pilots had been reporting UFOs for decades and that whatever their reality the objects appeared to be an unknown advanced technology June 24 2022 marks the seventy fifth anniversary of the birth of

UFOs On the same month and day in 1947 a thirty two year old skilled mountain pilot named Kenneth Arnold saw nine silver disk shaped objects flying at incredible speed near Mount Rainier in Washington state Fearing he had seen possible Russian missiles he performed his patriotic duty and reported them to a small newspaper in Oregon He described their motion as if you took a saucer and skipped it across the water Hence the term flying saucer was born Arnold a well known businessman with a reputation for honesty and integrity was plunged into fame overnight Nine Flying Objects tells the story of an innocent man who struggled the rest of his life with the consequences of his report Set in the early days of the Cold War when the newly named US Air Force was emerging from the ashes of World War II and fear of the atomic bomb gripped the hearts of millions Arnold poured his own resources into his one man crusade to discover what he had seen and to fight those who doubted and ridiculed him Based on interviews of Arnold and extensive historical documents Nine Flying Objects captures the tenor of a time when UFOs were born and a single witness stood up for the truth against a government seeking to hide the reality of the single most enduring mystery of our time

The Best of Two Lives Doris R. Ayyoub,2016-09-12 The Best of Two Lives is a love story as well as family history It is shaped as a journey beginning with the cultural foundations of Jordan and the United States Weaving threads of family stories Doris introduces us to compelling characters and describes ways of life that might be forgotten if not for projects such as this Ibrahim s early years are detailed as he lived in a mixed Muslim Christian community in Jordan and Doris tells of growing up as a small town conservative Christian in Oregon One of the fundamental messages is that despite superficial differences at the root Arab lives and concerns in the Middle East are relatable just as those of Americans in the United States Doris never shrinks from showing negative attributes that she couldn t be blamed for wanting to hide and that differentiates her book from a purely family history There s something here to help us see our own families more clearly and honestly and to understand them with compassion

Men, Masculinities and Disaster Elaine Enarson,Bob Pease,2016-06-17 In the examination of gender as a driving force in disasters too little attention has been paid to how women s or men s disaster experiences relate to the wider context of gender inequality or how gender just practice can help prevent disasters or address climate change at a structural level With a foreword from Kenneth Hewitt an afterword from Raewyn Connell and contributions from renowned international experts this book helps address the gap It explores disasters in diverse environmental hazard political and cultural contexts through original research and theoretical reflection building on the under utilized orientation of critical men s studies This body of thought not previously applied in disaster contexts explores how men gain maintain and use power to assert control over women Contributing authors examine the gender terrain of disasters through men s eyes considering how diverse forms of masculinities shape men s efforts to respond to and recover from disasters and other climate challenges The book highlights both the high costs paid by many men in disasters and the consequences of dominant masculinity practices for women and marginalized men It concludes by examining how disaster risk can be reduced through men s diverse efforts to challenge

hierarchies around gender sexuality disability age and culture *New York Magazine* ,1981-07-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
