Looking Forward Looking Back:

Looking Forward, Looking Back Jana Pohl, 2011 How is the life altering event of migration narrated for children especially if it was caused by Anti Semitism and poverty What of the country of origin is remembered and what is forgotten and what of the target country when the migration is imagined there a century later Looking Forward Looking Back examines today s representation of Jewish mass migration from Eastern Europe to America around the turn of the last century It explores the collective story that emerges when American authors look back at this exodus from an Eastern European home to a new one to be established in America Focusing on children s literature it investigates a wide range of texts including young adult literature as well as picture books and hence sheds light on the dynamics of the verbal and the visual in generating images of the self and other the familiar and the strange This book is of interest to scholars in the field of imagology children s literature cultural studies American studies Slavic studies and Jewish studies Looking Forward Looking Back Christopher Jobson, 2009-08-01 Looking Forward Looking Back explores the Australian Army s rich and proud history The Australian Army boasts a broad variety of traditions some of which belong to the Service as a whole others to a particular corps regiment or rank Some are solemn some are humorous and others incorporate the rules of social etiquette manners and style Many of the Army s customs and traditions are derived from the battle tactics and fighting attire of old Some of the drill movements seen on today s parade grounds were originally practised by soldiers in battle *Looking Forward, Looking Backward* Fredrica Harris Thompsett, 2014-04-01 A wide ranging exploration of the past present and future effects of women s ordination on the church This book gauges the impact and implications of women s ordination on today and tomorrow What has women s ordination meant for the church For preaching For pastoral care For the episcopate For lay women and for women across the Anglican Communion The editor draws upon a rich variety of writers and thinkers for this book **A Digital Janus: Looking Forward, Looking Back** Dennis Moser, Susan Dun, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 Cyberculture and cyberspace have become part of our realities This is an inescapable fact Their digital technologies have come to underpin many aspects of our lives our history and our future Already these technologies exert considerable influence upon the institutions and structure of our societies including those that define our concepts of art and aesthetics our social interactions societal and individual remembrance even how we govern and are governed Cyberculture s ubiquity raises questions of our concepts of being and aloneness Can we experience solitude if we are all connected Will the natural state of being soon be always on always connected To remember everything is it a blessing or a curse Is the promise of digital immortality possible or even desirable When do we cease mourning if the dead are memorialized in digital perpetuity Within this volume is a collection of essays from an international group of scholars artists and practitioners who address these and other questions about our future looking at where we have come in our past *Moving Forward, Looking Back* Sarah M. Misemer, 2010 Many critical shifts in concepts of time and society s

consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century. These innovations restructured the way people viewed the world and dealt with public and private time. The forward projectile motion along a linear track mimicked the passage of public chronological time. Conversely, the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space-time continuum via the train's velocity. Travelers observed the landscape disappear in their backward glance from the window, although the landscape and interior compartment's space remained stagnant. This optical illusion caused passengers to perceive the world in new ways. Thus, the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back.

Walking Forward, Looking Back Dinah Latham, 2014-10-28. The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog. It is a touchingly honest work written straight from the heart. The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London. The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve. Divorce and single parenthood accompany her career journey while living alone escorts her into retirement. It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life. This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing. It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries. Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway, one with an unfamiliar landscape, a one-way journey into growing old. This is a voyage of discovery, one that promises many unexpected new experiences, not the least of which is their most recent pastime: sheepherding.

The Christena Disaster Forty-Two Years Later—Looking Backward, Looking Forward Whitman T. Browne PhD, 2013-04-23. On a sunny afternoon in August of 1970, the Eastern Caribbean was without warning confronted with a terrible and tragic event. The Christena, a well-used ferry that regularly crossed the eleven-mile expanse between the twin islands of St Kitts and Nevis, sank. The two British colonial societies were suddenly thrown into turmoil, finding themselves unprepared to deal with such sudden tragedy. The ferry was registered to carry 155 passengers but it was severely overloaded. While ninety-nine people survived that afternoon, nearly 250 other passengers perished. As if their struggle to heal after the tragedy was not taxing enough, the islands had yet more adversity to conquer. However, both societies were determined to overcome that terrible event even as they fought to achieve greater political independence. Told from the perspective of Whitman T. Browne PhD, a native of Nevis who lived on the island at the time of the tragedy, *The Christena Disaster Forty-Two Years Later* is a moving firsthand account of how these sister communities banded together not only to win their political autonomy but also to overcome their emotional suffering as a result of greater tragedy.

Looking forward, looking back Canada. Royal Commission on Aboriginal

Peoples,1996 As the first part of a set of volumes examining the evolution of the relationship among Aboriginal peoples and the Canadian government this volume studies that relationship from the earliest times to the present and examines policies that have affected that relationship The volume begins with a demographic profile of Canada s current Aboriginal population and then reviews the history of government Aboriginal relations in four stages before European contact the early contact and co operation period displacement and assimilation and the latest stage of negotiation and renewal of the relationship The volume then examines false assumptions involved in the government Aboriginal relationship and discusses four policies negatively affecting this relationship The Indian Act the residential schools policy the relocation of Aboriginal communities and the treatment of Aboriginal military veterans The volume ends with principles for building the foundations of a renewed relationship

Looking Backward, Looking Forward Stephen J. Garber,2002 Looking Back to Look Forward Niels De Nutte,Bert Gasenbeek,2019-11-13 The number of secular people has increased substantially over the past several decades and research on secularism and non religion has been on the rise these past years Yet until today no publication had examined the evolution of organised freethought and subsequent secular humanism as it emerged in different Western countries in a comparative perspective In this book a team of historians brings together the histories of secular humanism in some pioneer countries They examine how organised freethought evolved in the Netherlands Belgium Great Britain and the United States in the aftermath of World War II As secular humanist organisations in these countries are some of the cofounders and long lasting members of Humanists International formerly International Humanist and Ethical Union this book reveals how Western humanism developed in different circumstances

In Pursuit of Foresight Mike Lauder,2016-05-23 Many inquiry reports blame management for their failures of foresight These reports are based on the premise that with a little more thought these oversights and so the crisis would have been avoided Is it really that simple The important question is whether without hindsight it would have even been possible to identify the actual factors that lead to the failure This book explores this issue as a practical problem The book takes Barry Turner s Disaster Incubation Theory as its central theme The first chapter explores the way Turner structured his theory and the way it has been used before re imagining it as a way to fostering foresight The next three chapters examine key issues in detail They explain why Turner s model was chosen outline the issues that need to be considered when seeking to prevent such failures and how to use the proposed frameworks Chapter 5 examines the lessons learnt from this study and in particular looks at the mental approach required when seeking such foresight Finally Chapter 6 provides a fully worked example It uses work by Frank Stech who has applied Turner s theory to a past case Crises occur everywhere and we continue to struggle to avoid them In this book Mike Lauder provides executives with thinking tools to help them avoid missing the warning signs of their next crisis

Rowing Forward, Looking Back Sandra Macfarlane,2002 **Songs** Don Walker,2019-07-01 For over forty years Don Walker s songwriting has captured what it is to be Australian From Cold Chisel to Catfish Tex Don Charlie to his solo work as

well as many other writing collaborations Walker's words are poetic moving and incisive Including classics such as *Khe Sanh* *Flame Trees* *Cheap Wine* and *Harry was a Bad Bugger* this collection reveals the breadth of Walker's vision and the precision of his prose These lyrics live on the page with or without the memory of music Interspersed with autobiographical sketches and anecdotes *Songs* is a must have for fans of Walker's brilliant razor sharp storytelling Includes a foreword by Jimmy Barnes Pithy poignant and provocative Don Walker is the Poet Laureate of Australian rock n roll Mandy Sayer As ever the doyen to the rest of us Beauty humour and pathos coexist in his songs Any time I try to write the voice of The Don is in my head You sure you wanna do that Consistently persistently the master Tim Rogers Pithy acerbic dry and deeper than a drought ridden dam Don's words are truly a thing of wonder Peter Garrett One of the great poets of the Australian experience His lyrics speak of and to an Australia that is too rarely glimpsed in song giving voice to the forgotten and dispossessed and transforming the currents of grief and love and tenderness that run through even the most ordinary of lives into something universal James Bradley Walker is one of our great storytellers As much a keeper of the flame as Lawson Carey or White But he cuts to the burning heart with far fewer words John Birmingham **Beyond the Imperial Frontier** Vincent O'Malley, 2014-09-15 *Beyond the Imperial Frontier* is an exploration of the different ways Mori and Pakeha fronted one another the zones of contact and encounter across the nineteenth century Beginning with a pre 1840 era marked by significant cooperation Vincent O'Malley details the emergence of a more competitive and conflicted post Treaty world As a collected work these essays also chart the development of a leading New Zealand historian Strategic Issues for the Not-for-profit Sector Jo Barraket, 2008 This edited collection brings together some of Australia's leading and emerging researchers in the not for profit sector and public policy including Sarah Maddison and Ann Capling Drawing on original Australian and comparative research it is a spirited exploration of strategic issues currently facing the sector It highlights current changes in practice policy development and research relating to the sector with a specific emphasis on strategic issues relating to partnerships and networks innovation and advocacy and accountability It incorporates perspectives from different parts of the sector challenging the reader to consider the local and global drivers of change and the industry policy and community imperatives impacting upon not for profit sustainability Provided by publisher *Gaining Power with God* Rev. Ollie Fobbs, 2013-08-07 *Gaining power with God* was a thought process that would not go away no matter how much I wanted it to it just got bigger and bigger finally I began to write I thought I lost the book when my computer died but I was amazed to find it on my external hard drive Debating Race, Ethnicity, and Latino Identity Iván Jaksic, 2015-07-07 The philosopher Jorge J E Gracia engages fifteen prominent scholars on race ethnicity nationality and Hispanic Latino identity in the United States Their discussion joins two distinct traditions the philosophy of race begun by African Americans in the nineteenth century and the search for an understanding of identity initiated by Latin American philosophers in the sixteenth century Participants include Linda M Alcoff K Anthony Appiah Richard J Bernstein Lawrence Blum Robert Gooding Williams

Eduardo Mendieta and Lucius T Outlaw Jr and their dialogue reflects the analytic Aristotelian Continental literary Marxist and pragmatic schools of thought These intellectuals start with the philosophy of Hispanics Latinos in the United States and then move to the philosophy of African Americans and Anglo Americans in the United States and the philosophy of Latin Americans in Latin America Gracia and his interlocutors debate the nature of race and ethnicity and their relation to nationality linguistic rights matters of identity and Affirmative Action binding the concepts of race and ethnicity together in ways that open new paths of inquiry Gracia's Familial Historical View of ethnic and Hispanic Latino identity operates at the center of each of these discussions providing vivid access to the philosopher's provocative arguments while adding unique depth to issues that each of us struggles to understand

The Digital Evolution of Live Music Angela Jones, Rebecca Jane Bennett, 2015-07-17 The concept of live has changed as a consequence of mediated culture Interaction may occur in real time but not necessarily in shared physical spaces with others The Digital Evolution of Live Music considers notions of live music in time and space as influenced by digital technology This book presents the argument that live music is a special case in digital experience due to its liminal status between mind and body words and feelings sight and sound virtual and real Digital live music occupies a multimodal role in a cultural contextual landscape shaped by technological innovation The book consists of three sections The first section looks at fan perspectives digital technology and the jouissance of live music and music festival fans The second section discusses music in popular culture exploring YouTube and live music video culture and gaming soundtracks followed by the concluding section which investigates the future of live music and digital culture Gives perspectives on the function of live music in digital culture and the role of digital in live music Focuses on the interaction between live and digital music Takes the discussion of live music beyond economics and marketing to the cultural and philosophical implications of digital culture for the art Includes interviews with producers and players in the digital world of music production Furthers debate by looking at access to digital music via social media websites and applications that recognise the impact of digital culture on the live music experience

Sex Education Judy Hunter, Sheila Phillips, 2000 This series of books is an introduction to serious questions facing young people today The teacher's notes included help to provide ideas and source material for classroom activities Other titles in this series are Drugs Alcohol and Smoking

Two-World Literature Rebecca Suter, 2020-05-31 In this study Rebecca Suter aims to complicate our understanding of world literature by examining the creative and critical deployment of cultural stereotypes in the early novels of Kazuo Ishiguro World literature has come under increasing scrutiny in recent years Aamir Mufti called it the result of one world thinking the legacy of an imperial system of cultural mapping from a unified perspective Suter views Ishiguro's fiction as an important alternative to this paradigm Born in Japan raised in the United Kingdom and translated into a broad range of languages Ishiguro has throughout his career consciously used his multiple cultural positioning to produce texts that look at broad human concerns in a significantly different way Through a close reading of his early narrative strategies Suter explains how Ishiguro has been

able to create a two world literature that addresses universal human concerns and avoids the pitfalls of the single Western centric perspective of one world vision Setting his first two novels *A Pale View of Hills* 1982 and *An Artist of the Floating World* 1986 in a Japan explicitly used as a metaphor enabled Ishiguro to parody and subvert Western stereotypes about Japan and by extension challenge the universality of Western values This subversion was amplified in his third novel *The Remains of the Day* 1989 which is perfectly legible through both English and Japanese cultural paradigms Building on this subversion of stereotypes Ishiguro's early work investigates the complex relationship between social conditioning and agency showing how characters behavior is related to their cultural heritage but cannot be reduced to it This approach lies at the core of the author's compelling portrayal of human experience in more recent works such as *Never Let Me Go* 2005 and *The Buried Giant* 2015 which earned Ishiguro a global audience and a Nobel Prize Deprived of the easy explanations of one world thinking readers of Ishiguro's two world literature are forced to appreciate the complexity of the interrelation of individual and collective identity personal and historical memory and influence and agency to gain a more nuanced two world appreciation of human experience
