Lord From Heaven:

The Lord from Heaven Leon Morris,1958 *The Lord from Heaven* Robert Anderson,1978 A devotional treatment of the doctrine of Deity of Christ This differs from other works in that it offers indirect testimony of the Scriptures as to the validity of this doctrine This book is not written to settle doctrinal controversy but rather it is a Bible study that will deepen the student s conviction while giving a warm devotional approach Sir Robert Anderson Library Series *The Lord From Heaven* Sir Robert Anderson,2008-04-04 During his many years as a lay preacher and biblical scholar Sir Robert Anderson wrote many provocative books on the Christian faith This series of his writings collects five of his most influential and enduring books **Wiseman Review** ,1884 **The Lord's Prayers** Shalom, Min,2021-08-04 Hello I m Lord s servant Shalom Min While accompanying the Holy Spirit he impressed me to meditate on Ephesus It s just a small meditation compared to Martin Lloyd Jones s Ephesus or other great believers sermons on the strong side but I look forward to your relationship with the Lord Recently I read Ephesus repeatedly but I was moved to meditate on the contents of my life first after discovering the amazing truth in my life these days The Lord says we have something to save first If there is any prayer that we should seek more than anything it is a prayer that seeks his country and righteousness There is a great secret and amazing spiritual abundance in this prayer There is also this prayer in the Lord s Prayer which we know well Through this meditation I enter deeper Imjae and seek the righteousness of the kingdom of God in me and the will of the Lord is fulfilled If you go to church there s no one who doesn t know the Lord s Prayer But not many people will realize what the depth and height of the prayer is and pray for it They often memorize it like a spell that is nothing more or less than just a closing ceremony at the end of worship I watched the movie Paul the other day and the most impressive scene was the scene where I memorized the Lord s Prayer with one heart I remember praying together and couldn t hold back my tears We found that the confession of those who are about to be martyred the confession of saints who send martyrs and Paul s confession that will soon be martyred were melted in the Lord s Prayer The last thing you will hate the most is the division This is because in the Lord s Prayer there is a great prayer that the kingdom of the division is destroyed the church is built and the head of the division is broken On the contrary God is most pleased with the prayer that the Lord has taught Because it is a prayer in which the kingdom and will of God are fulfilled and God is honored This book is highly recommended to Christians who do not know what how or why to pray for Also I am sure it will be of great benefit to those who are already working hard in prayer or who have built many altars of prayer First of all I post this article to God while I cherish it in my heart and adore it to be a life not words and writing May the kingdom of God come to my soul in my life in my home in my workplace in my ministry in my church in Korea and in all heat and may your will be fulfilled Jesus the Amen Lord come Then I ll meet you in heaven **Angelic Wisdom Concerning the Divine Providence** Emanuel Swedenborg,1862 **Ti & Do the Father & "Jesus" Heaven'S Gate Ufo Two Witnesses** Sawyer,2017-01-18 This book provides detailed evidence from everything

The God of Abraham, Isaac, and Jacob Watchman Nee, 1993-05-01 The Christian life is based upon the irrevocable promises of God the enjoyment of all that God has prepared for us in Christ and the transformation that results from the loving discipline of the Spirit In The God of Abraham Isaac and Jacob Watchman Nee draws upon the experiences of the Old Testament patriarchs and presents their lives as an allegory of the complete Christian experience From our response to God's promises by faith to our ultimate transformation into sons who are conformed to the image of Christ we must pass through the same life experiences of Abraham Isaac and Jacob Like Abraham we have been given the promise of God for the inheritance like Isaac we can enjoy all that God has planned for us in Christ His Son and like Jacob we must experience the discipline of the Holy Spirit for the sake of our growth and transformation *The Future Life* Emanuel Swedenborg, 1853

Getting to Know God Nathan Krupp, 2001-05 **The Lord's Day a Delight and Honourable. A Sermon [on Ps. Cxviii. 24].** Richard Rymer, 1856 **Angelic Wisdom About Divine Providence** Emanuel Swedenborg, 2006-01-01 The reader will find in this book a firm assurance of God's care of mankind as a whole and of each human being The assurance is rested in God's infinite love and wisdom the love pure mercy the wisdom giving love its ways and means It is further grounded in an interpretation of the universe as a spiritual natural world an interpretation fully set forth in the earlier book *Divine Love and Wisdom* on which the present work draws heavily As there is a world of the spirit no view of providence can be adequate which does not take that world into account For in that world must be channels for the outreach of God's care to the human spirit There also any eternal goal such as a heaven from the human race must exist A view of providence limited to the horizons of the passing existence can hardly resemble the care which the eternal God takes of men and women who besides possessing perishable bodies are themselves creatures of the spirit and immortal The full title of the book *Angelic Wisdom about Divine Providence* implies that its author in an other world experience had at hand the knowledge which men and women in heaven have of God's care Who should know the divine guidance if not the men and women in heaven who have obviously enjoyed it The laws of divine providence hitherto hidden with angels in their wisdom are to be revealed now As it is presented in this book providence seeks to engage man in its purposes and to enlist all his faculties his freedom and

reason his will and understanding his prudence and enterprise It acts first of all on his volitions and thinking to align them with itself That it falls directly on history its events and our circumstances is a superficial view It is man s inner life which first feels the omnipresent divine influence and must do so If we cannot be lifted to our best selves and if our aims and outlook cannot be modified for the better how shall the world be bettered which we affect to handle Paramount in God s presence with all men if only in their possibilities is His providential care This care to which man s inner life is open is alert every moment not occasional It is gentle and not tyrannical constantly respecting man s freedom and reason otherwise losing him as a human being It has set this and other laws for itself which it pursues undeviatingly The larger part of the book is an exposition of these laws in the conviction that by them the nature of providence is best seen Is it not to be expected in a universe which has its laws and in which impersonal forces are governed by laws that the Creator of all should pursue laws in His concern with the lives of conscious beings To fit a world of laws must not the divine care have its laws too Adjustment of thought about divine providence to scientific thought is not the overriding necessity for scientific thought must keep adjusting to laws which it discerns in the physical world In consonance religious thought seeks to learn the lawful order in the guidance of the human spirit Do not each and all things in tree or shrub proceed constantly and wonderfully from purpose to purpose according to the laws of their order of things Why should not the supreme purpose a heaven from the human race proceed in similar fashion Can there be anything in its progress which does not proceed with all constancy according to the laws of divine providence
