A. J. Hoenselaars

Love Intrigue:

Shakespeare's History Plays A. J. Hoenselaars, 2004-09-23 This volume with a foreword by Dennis Kennedy addresses a range of attitudes to Shakespeare's English history plays in Britain and abroad from the early seventeenth century to the present day. It concentrates on the play texts as well as productions, translations and adaptations of them. The essays explore the multiple points of intersection between the English history they recount and the experience of British and other national cultures, establishing the plays as genres not only relevant to the political and cultural history of Britain but also to the history of nearly every nation worldwide. The plays have had a rich international reception tradition but critics and theatre historians abroad, those practising foreign Shakespeare, have tended to ignore these plays in favour of the comedies and tragedies. By presenting the British and foreign Shakespeare traditions side by side, this volume seeks to promote a more finely integrated world Shakespeare.

Boulevard Comedy Theatre in Germany Daniel Meyer-Dinkgrafe, 2009-10-02
Twenty major German cities have a total of twenty-four theatres specializing at a high level of sophistication in presenting light comedy. They have their own typical ambience, principles of artistic management and casting. There are playwrights, actors, directors and designers who work almost exclusively in the genre called boulevard comedy, developing highly specialised approaches to their work. In almost all cases, the predominantly privately run boulevard comedy theatres in Germany have been able to attract larger audiences than municipal or state theatres in the same cities. The book provides a description and an analysis of this phenomenon which is unique to Germany. Chapters focus on an analysis of ambience, artistic managers, artistic policies and artistic structures on major characteristics of the plays presented on the stages of German boulevard comedy theatres, on aspects of translation and the cultural transfer of comedy and laughter, and on aspects of production and reception, dealing in turn with actors, directors, media coverage and audiences.
