Samuel, 2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we've had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans' everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation's continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We've fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex

as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 The Advocate ,2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Portland Transcript** ,1847 Quimby the Mouse Chris Ware,2003 Collects comic strips from the early 1990s organized around Quimby the mouse Bulletin of the Atomic Scientists ,1959-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Psychotherapists on Film, 1899-1999** John Flowers,Paul Frizler,2004-04-22 How long have psychotherapists been depicted in films Nearly as long as there have been films or psychotherapists for that matter This isn t surprising if one considers that the Freudian revolution in psychology and the invention of motion pictures occurred at about the same time What may be surprising is the sheer number of times that psychotherapists in their many guises have shown up in the movies and how their depiction has reflected changing social attitudes about psychotherapy over the last century This comprehensive worldwide filmography examines over 5000 movies Films in which mental health professionals appear or in which others act in that capacity are listed alphabetically A preface explains the criteria for a film s inclusion and a lengthy introduction and guide to the filmography explores the changing social attitudes mirrored by the movies Appendices list the titles by decade alternate titles for many films recent releases and qualifying adult films **Indianapolis Monthly** ,2001-12 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape **Source Book of Teaching Materials on the Welfare of Children** ,1969 **Facets Video Encyclopedia** Catherine Foley,Milos Stehlik,1999 Calling it a virtual cinemath que on video the Telluride Film Festival gave its coveted Silver Medallion award to Facets Video Encyclopedia The Encyclopedia lists more than 35 000 rare films on video laser disc and DVD Included are foreign independent classic American silent documentary experimental cult and children s films Each is carefully described and lists director country of origin year and running time credits and is categorized and cross referenced by director and country All films are available for sale or rent from Facets Multimedia **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **Art nexus** ,1992 **Secret Sex** Tom Anicar,1981-03-03
