The Golden Frontier Herman Francis Reinhart, 2014-08-27 The gold rush was Herman Francis Reinhart's life for almost twenty years From the summer of 1851 when as a boy in his late teens he traveled the Oregon trail to California until a January day in 1869 when he climbed aboard an eastbound train at Evanston Wyoming he was a part of every gold discovery that stirred the West Reinhart dipped his pan in the streams of northern California and western Oregon in Humbug Creek Indian Creek Rogue River and Sucker Creek He made the arduous and dangerous overland journey through Indian occupied western Washington and British Columbia to find the Fraser River gold even more elusive than that farther south With his teams and wagons he traversed all of the inland mine areas from Walla Walla to Fort Benton from Boise Basin to South Pass City Reinhart's German common sense soon turned him from actual mining to other sources of income but whatever his labor was the mines were always the focal point of his activities When he operated a bakery and saloon it was a business whose customers were miners whose transactions were more likely to involve gold dust than legal tender and whose gambling tables saw the exchange of mining fortunes When he operated a whipsaw mill the timbers cut there were used by miners for sluices and cradles For a while Reinhart farmed but planting and harvesting suffered from interruption by frequent expeditions to the mines And when he prospered as a teamster it was to and from the mining towns that he hauled passengers supplies and equipment The men who like Herman Francis Reinhart hopefully followed the golden frontier were not an articulate group and the written records of their lives are few and fragmentary But Reinhart in his later years recorded his experiences in five long narrow hardback ledgers Many years after he died his daughter gave the ledgers to a friend in Chanute Kansas Nora Cunningham who read the narrative became fascinated by it and typed it for publication Reinhart's account written in a grammar and language all his own is not a record of the historian's West but of the West of the individual miner The pages are filled with the details of day to day life of the miners the subjects that interested them the problems that plagued them their fun and feuding their frustrations and hopes Edited by an authority of the history of the
