About Cancer Brian Lobel, 2012-06-18 Unexpected, quirky and provocative. BALL. Other Funny Stories About Cancer is a unique collection of performances about illness and the changing body over time. Documenting a trilogy of Brian Lobel's monologue performances from 2001-2011, this collection challenges the inspirational stories of survivors and martyrs that have come before, infusing the cancer story with an urgency and humour which is sometimes inappropriate, often salacious and always above all else honest and open. Published together for the first time, this collection of performances goes beyond the chemotherapy to include reflections on politics, sexuality and gender, providing cancer and cancer narratives with a much deserved kick in the ball. My Book of Silly Stories Nicola Baxter, 2000-01-01 *Rushing to Yoga* Marilee J.

Bresciani, 2011-06-16 *Rushing to Yoga* details how awakenings may be found in distant countries as we search to find ourselves, but they also can occur daily in our lives. The stories included describe how we can benefit from our daily lives if we only take a moment to stop rushing around and allow the learning, the remembering to occur. We don't need to spend a fortune flying to Bali or Italy. Our awakenings, our remembering can occur right here in our daily lives as long as we have a sense of humor and some fabulous friends to help us identify them and remember them. *Rushing to Yoga* is based on real stories about author Marilee Bresciani's life stories that are like what many middle-class Americans may have experienced as they search for meaning. She shares these stories couched in humor with the intent that they will inspire reflection and discourse. There are no answers in this book. Rather, readers may find humor in their own adversities and use them as opportunities to reflect.
