Negotiating the Good Life Mark A. Young, 2017-05-16 For centuries philosophers have wrestled with the dichotomy between individual freedom on the one hand and collective solidarity on the other Yet today there is a growing realization that this template is fundamentally flawed In this book Mark Young embraces and advocates a more holistic concept of freedom one which is not merely defined negatively but which positively provides the preconditions for individuals to actively exercise their autonomy and to flourish as human beings in the process Young posits the idea of freedom in community and traces its origin back to Aristotle Taking as his premise that humans are deeply social beings who live their lives intricately interwoven with each other he examines what type of political community is relevant for us in this post Classical post Enlightenment and indeed post Existential world Identifying the failure of traditional statist models of politics Young instead argues for a civil society a globally interlinked and free set of liberal communities as the best context for nourishing human flourishing In this way we can achieve a proper setting for Eudaimonia in a modern sense Negotiating the Good Life

Handicap This Thomas Whitney, 2021-05-17 Life is one perplexing experience and ordeal Behind its intangibility mystery and diversity humanity never gets the deep meaning It is a meaning that lacks a concrete and tangible answer that further confounds its purpose However despite everything the chaos mystery and hullabaloo life goes on I am not going to sugarcoat things and tell you deep breaths and meditation will cure what ails you Hell I am not going to tell you that ales will cure what ails you The first thing for me was to understand that life is dark full of mystery misery and your happiness only comes from within Now do not misunderstand me the shit is dark and the rain cloud may follow above your head but once you accept that you will learn to love the rain Life itself is not all sunshine and roses We see more dark ill and uncanny things naturally because it is all around us Do not believe me Go ahead and watch the news for a half hour Tell me how many good stories you hear because I know it will not be many My point here is to accept the dark and use dark humor to better grasp your reality Learning to find the comedic value in life s crazy times will lighten your mood so much coping will become easier Humor it s the first piece that you need Life is dark so mote it be
