Anne Frank Unbound Barbara Kishenblatt-Gimblett,Jeffrey Shandler,2018-11-01 A brilliantly conceived and long overdue opening up or deconstruction of the Anne Frank story James Clifford Professor Emeritus History of Consciousness Department University of California As millions of people around the world who have read her diary attest Anne Frank the most familiar victim of the Holocaust has a remarkable place in contemporary memory Anne Frank Unbound looks beyond this young girl s words at the numerous ways people have engaged her life and writing Apart from officially sanctioned works and organizations there exists a prodigious amount of cultural production which encompasses literature art music film television blogs pedagogy scholarship religious ritual and comedy Created by both artists and amateurs these responses to Anne Frank range from veneration to irreverence Although at times they challenge conventional perceptions of her significance these works testify to the power of Anne Frank the writer and Anne Frank the cultural phenomenon as people worldwide forge their own connections with the diary and its author This collection of brilliant essays offers fascinating and unexpected insights into the significance of Anne Frank s iconic Holocaust era diary from many disciplinary perspectives in the arts and humanities Jan T Gross the Norman B Tomlinson Professor of War and Society Princeton University This volume is a major contribution to scholarship regarding Anne Frank s diary and its cultural influence Highly recommended Choice Engrossing The overall aim is to provide a greater understanding of the general and particular engagement with Anne Frank as a person a symbol an icon an inspiration and perhaps most polarizing as one victim not the victim of the Nazi holocaust

Broadside A Student Handbook to the Plays of Arthur Miller Alan Ackerman, 2013-12-16 A Student Handbook to the Plays of Arthur Miller provides the essential guide to Miller's most studied and revived dramas. Authored by a team of leading scholars, it offers students a clear analysis and detailed commentary on five of Miller's plays: *All My Sons*, *Death of a Salesman*, *The Crucible*, *A View from the Bridge*, and *Broken Glass*. A consistent framework of analysis ensures that whether readers want a summary of the play, a commentary on the themes or characters, or a discussion of the work in performance, they can readily find what they need to develop their understanding and aid their appreciation of Miller's artistry. A chronology of Miller's life and work helps to situate his oeuvre in context, and the introduction reinforces this by providing a clear overview of his writing, its recurrent themes, and how these are intertwined with his life and times. For each play, the author provides a summary of the plot followed by commentary on the context, themes, characters, structure, and language, and the play in production, both on stage and screen. Adaptations, there are questions for further study and detailed notes on words and phrases in the text. The wealth of authoritative and clear commentary on each play, together with further questions that encourage comparison across Miller's work and related plays by other leading writers, ensures that this is the clearest and fullest guide to Miller's greatest plays.

The Diary of Anne Frank Frances Goodrich, Albert Hackett, Anne Frank, 1970

Teaching "The Diary of Anne Frank" Marie Schellenberger, 2012

The Pulitzer Prize Plays Paul A. Firestone, 2008 With this book Paul Firestone, lifelong educator and theater aficionado, delivers one of the most comprehensive compendiums of essays on these vital works. Firestone's understanding of each play's substance is rich and impressive. His vast and ambitious examination takes into account many different elements: characters, plots, and symbolism, as well as the lives and psychology of the playwrights, the historical context in which the plays emerged, and their relevance on sociological, political, familial, psychological, and spiritual levels.

"Meeting" Anne Frank Tim Whittome, 2021-03-07

Meeting Anne Frank An Anthology captures the stories of some twenty of us who have walked with Anne Frank and her sister Margot as kindred spirits over the course of the many decades that have elapsed since both girls died from typhus and Nazi cruelty in Bergen-Belsen in 1945. None writing here actually met or knew Anne personally, but we have talked to her and journeyed with her kindred spirit. Anne Frank unites us at a time when so much of the world is riven by the familiar and divisive themes of partisan politics, anti-Semitism, and prejudice. You will, though, be meeting those who did know Anne's most adorable father, Otto, and they have kindly shared their vivid stories in this volume. You will be seeing how we cherish not just the loving father-daughter relationship that has come to mean so much for many of us, but also the inspiration of Anne's patient mother, Edith, and her ladylike older sister, Margot. Several of Anne's surviving school friends also appear in the journeys undertaken by a number of my contributors. In the years since she died in 1945, Anne Frank has become variously the sister, mother, wife, daughter, girlfriend, or best friend to each of us, writing for this anthology and to many in the wider world. We honor the happy and tragic story of Anne's brief life and recognize the existence of at least two Annes in both her

sense of fun and mischief and in her growing self awareness while in hiding Anne was only a child while she lived freely at Merwedeplein 37 in Amsterdam The Netherlands and barely a teenager when she died in a Nazi concentration camp for the simple crime of being Jewish Anne wanted to go on living after her death in February or March 1945 and I hope we have honored her lasting wish in this work Holocaust Memory and Youth Performance Erika Hughes,2024-01-25 Through an examination of children s and youth plays and performances about the Holocaust from Germany Israel and the United States this book offers an entirely new way of looking at the vital role of youth performance in coping with the legacy of historical tragedy As the first book length critical examination of this subject Holocaust Memory and Youth Performance considers plays that are produced by major theatre companies alongside performances written by young authors and pieces taken from the diaries and memoirs of those who experienced the Holocaust as children or adolescents While youth focused plays about the Holocaust have been in the repertoires of top professional companies throughout the world for decades and continue to be performed in theatres schools and community centers they are often neglected in concentrated and comparative studies of Holocaust theatre Erika Hughes fills this gap by examining plays including The Diary of Anne Frank and Ab heure hei t Du Sara musicals performances scripts a rock concert a performance on Instagram and pedagogically focused works of applied theatre a diverse collection of performances for young audiences that tell the stories of young people who experienced the Holocaust Adopting Hannah Arendt s notion of natality as a powerful framework this study examines the ways in which youth theatre performances make a vital contribution to intergenerational witnessing and the collective memory of the Holocaust

Between Hope and Despair Roger I. Simon, Sharon Rosenberg, Claudia Eppert,2000-03-15 At the end of a century of unfathomable suffering societies are facing anew the question of how events that shock resist assimilation and evoke contradictory and complex responses should be remembered Between Hope and Despair specifically examines the pedagogical problem of how remembrance is to proceed when what is to be remembered is underscored by a logic difficult to comprehend and subversive of the humane character of existence This pedagogical attention to practices of remembrance reflects the growing cognizance that hope for a just and compassionate future lies in the sustained if troubled working through of these issues *Let's Create Writers* Timothy Horan,2021-10-21 In this book Dr Timothy Horan presents an original and highly effective writing program whose major goal is to transform middle school students into competent and confident writers This writing program is innovative rigorous and engaging and was designed with the student in mind This book contains a total of twenty original writing assignments ten for seventh grade and another ten for eighth grade These assignments are based on middle school students natural predilections and developmental levels and represent creative interpretations of the Common Core Writing Standards Each writing project in this book is full and complete and is described with clarity and simplicity Each assignment also includes a reproducible outline that presents the assignment to students in a simplified graphical format The pedagogical philosophy underlying this program is simple and effective It seeks to provide

students with enjoyable writing assignments that students will understand learn from and complete As students progress through the program they will develop an upbeat emotional bond with the act of writing and will learn to approach composition with a sense of optimism and confidence

Holocaust Icons Oren Baruch Stier,2015-11 Oren Baruch Stier traces the lives and afterlives of certain remnants of the Holocaust and their ongoing impact He shows how and why four icons an object a phrase a person and a number have come to stand in for the Holocaust where they came from and how they have been used and reproduced how they are presently at risk from a variety of threats such as commodification and what the future holds for the memory of the Shoah

Borders and Boundaries in and around Dutch Jewish History David Wertheim,Judith Frishman,Ido Haan,Joel Cahen,2025-10-01 The widespread and long held preconception that all Jews lived in ghettos and were relentlessly subject to discrimination prior to the Enlightenment has only slowly eroded Geographically speaking Jews rarely lived in ghettos and have never been confined within the borders of one nation or country Power struggles and wars often led to the creation of new national borders that divided communities once united But if identity formation is subject to change and negotiation it does not depend solely on shifting geographical borders A variety of boundaries were and are still being constructed and maintained between ethnic and other collective identities The contributors to this book like other post modernist historians turn their gaze to a wide range of identities once taken for granted identities located on the border lines between one country and the next between Jews and non Jews as well as on those between one group of Jews and another
