Joshi, 2003-07-08 This book examines the everyday operations of the Gestapo the Nazi secret police The Gestapo were able to detect the smallest signs of non compliance with Nazi doctrines especially crimes pertaining to the private spheres of social family and sexual life One of the key factors in the enforcement of Nazi policies was the willingness of German citizens to provide the authorities with information about suspected criminality This book examines women denouncers in Nazi Germany through close examination of the Gestapo files The author seeks to answer questions about how women in particular used denunciation and why so many ordinary women denounced deviants and dissenters to the Gestapo

Capitalising Economic Power in the US Mattia Tassinari, 2018-05-25 This book examines the American industrial strategy from the late 70s to the present day in what is now known as the neoliberal era The author illustrates the ways in which the protection and promotion of American companies and industries took place in the context of the international free market He provides clear evidence of how the economic power of the United States wielded to influence the formal and informal institutions of the neoliberal order has been used as a tool for enhancing its competitive advantage against other world economies The Limits of State Power in Africa Georges/Sembe Bakaly, 2006-11 The Legal Adaptation Power in China's Ethnic Autonomous Areas WU Jingjing, CHENG Le, TAO Chencheng, 2025-05-26 The book provides a comprehensive analysis of legal adaptation mechanisms within ethnically diverse regions This scholarly work examines how legal systems are modified to accommodate the unique cultural social and historical contexts of ethnic autonomous areas while maintaining national legal cohesion The book explores the theoretical foundations of legal adaptation power analyzing its constitutional principles including regional ethnic autonomy ethnic equality and popular sovereignty It traces the historical evolution of legal adaptation in China and examines current practices across various domains including civil code criminal law electoral law and family planning regulations The authors identify several challenges in implementing legal adaptation including geographical imbalances inconsistent application and institutional deficiencies They propose a framework for improvement focused on strengthening legislative awareness enhancing professional quality and establishing effective accountability mechanisms The work makes a significant contribution by emphasizing how legal adaptations help guarantee equal rights for ethnic minorities resolve conflicts between national policies and local customs and promote economic and social development It advocates for a balanced approach that respects ethnic characteristics while maintaining the principle of national legal uniformity ultimately supporting a more responsive and inclusive legal system in ethnic autonomous regions *Air Power in*

UN Operations Professor A Walter Dorn, 2014-08-28 Air power for warfighting is a story that's been told many times. Air power for peacekeeping and UN enforcement is a story that desperately needs to be told. In rich detail, this volume describes aircraft transporting vital supplies to UN peacekeepers and massive amounts of humanitarian aid to war-affected populations; aircraft serving as the eyes in the sky to keep watch for the world organization; and combat aircraft enforcing the peace. Rich, poignant case studies illuminate the past and present use of UN air power, pointing the way for the future. [The Hidden Supernatural Power in Fasting and Prayer](#)

Prayer M. Madueke, 2021-06-30 Bible Study With Video Access Link Included

There is freedom from the torment of the enemy. The days we live in are evil. Perilous times are here. The habitations of cruelty are devising and unleashing frightful dimensions of wickedness on humanity. The hearts of men are melting in fear. The love of many is waxing cold. But our God has not left us defenseless. He has given us weapons to contain and defeat every foe. Best-selling author Prayer Madueke, with over 40 years of experience in Ministry and a trusted teacher on deliverance, reveals strongholds that can be broken, including poverty, sickness, witchcraft, sexual impurity, pride, fear, confusion, and marital problems. This isn't just another entry in the genre of Christian fasting books; it's a profound guide to harnessing the fasting secrets revealed within the Bible, enabling believers to wield these spiritual tools effectively against modern-day evils. The book eloquently argues that fasting is more than abstaining from food; it's a powerful act of faith that can bring about personal and communal transformation. This book will open your eyes to the tremendous power and immense benefits of fasting and prayer. You will come to the realization that fasting is one weapon you can use to remain an overcomer in the face of every battle.

Union Power in the Nigerian Textile Industry Gunilla Andrae, Björn Beckman, 1999-01-01 Nigeria once a resourceful regional power has been caught in a spiral of economic and political decay This once promising nation is now seen as an international pariah partly as a result of the gross human rights violations of its government but largely because of the failure to generate a political leadership capable of containing and reversing rather than aggravating the process of decline Union Power in the Nigerian Textile Industry covers developments in Nigeria during two trying decades of deepening economic and political crisis It is not however an additional tale of decay It highlights the remarkable progress which has been achieved in spite of this decline in industrial adjustment institution building and conflict regulation Gunilla Andrae and Björn Beckman follow Nigeria s leading manufacturing sector the textile industry from the heyday of the oil boom through successive phases of adjustment and liberalization suggesting that industrialization is still very much on the African agenda The focus is on the trade unions their role in industrial restructuring and their ability to defend workers interests and rights Union Power in the Nigerian Textile Industry examines the successful institutionalization of a union based labor regime defying global trends to the contrary The authors explore the origins of union power in the national and local political economy pointing to the mediation between the militant self organization of the workers and the strategies of state and capital They draw on extensive field work interviews with managers unionists and workers and massive documentation from internal union sources

Ideology and Power in the Viking and Middle Ages, 2011-04-21 Ideology and power are central elements in the political social religious and cultural development of the North during the transition from the Viking to the Middle Ages While the medieval European Christian ideology of rulership has been widely discussed an analysis of the Nordic pre Christian ideology and of its confrontation with the new European ideals has so far been lacking This book examines the concepts and practices associated with chieftains earls and kings from the ninth to the thirteenth century the myths and rituals surrounding their position in a northern European warrior culture The analysis seems to indicate that important elements of the pre Christian ideology of rulership survived into the Christian Middle Ages either transformed or even simply transferred Contributors are Ian Beuermann Anders Hultgård Jan Erik Rekdal Jens Peter Schjødt John Viar Sigursson Joanna Skrzewska Gro Steinsland and Olof Sundqvist

Marriage, Kinship and Power in Northern China Jennifer Holmgren, 2024-12-11 This volume focuses on changing marriage practices and kinship structures in a setting of interaction between the ruling elites and their Chinese subjects The collection covers three major themes the unique adaptability of steppe society in the face of threats to its political dominance the way shifts in inheritance procedure including rights of office induce a radical shift in attitudes to marriage as well as

change in the parameters of kinship solidarity and the enduring importance of affinal ties connections through the mother wife and sister in Chinese society

Money and Power in Anglo-Saxon England Rory Naismith, 2011-10-06 This groundbreaking study of coinage in early medieval England is the first to take account of the very significant additions to the corpus of southern English coins discovered in recent years and to situate this evidence within the wider historical context of Anglo Saxon England and its continental neighbours Its nine chapters integrate historical and numismatic research to explore who made early medieval coinage who used it and why The currency emerges as a significant resource accessible across society and through analysis of its production circulation and use the author shows that control over coinage could be a major asset This control was guided as much by ideology as by economics and embraced several levels of power from kings down to individual craftsmen Thematic in approach this innovative book offers an engaging wide ranging account of Anglo Saxon coinage as a unique and revealing gauge for the interaction of society economy and government
