**The Prayer of Silence** PhD Bruce Fraser MacDonald,2011-11 The Prayer of Silence has several aims 1 to teach basic relaxation and concentration methods based on bodily awareness 2 to develop an awareness of the Divine Presence 3 to overcome emotional and personality blocks to develop a sense of personal wholeness 4 to develop an awareness of what the author drawing on a near death experience in 1966 calls the Watcher aspect of consciousness that speeds the development of spiritual perception of inner Love Peace and Joy 5 to transform the ego from attachment to material and emotional limits to a spiritual Ego that is one with the Atman or Spirit and to extend that spiritual awareness to the world and other people 6 to be able to deal with the conflicts and potential arising from the memory of past lives 7 to be able to find a Spiritual Guide in the inner person 8 to be able to deal with the inevitable dry periods in spiritual practice 9 to experience Nirvana where all lower attachments are blown out and 10 to achieve Divine Union where the Ego and God are One where Atman experiences itself as one with Brahman where one can say with Jesus I and the Father are One There is

also a very good chapter on mantras so the student can learn about their nature and use although the Prayer of Silence uses a different more direct form of focus to achieve concentration and inner awareness Dr MacDonald has also remembered and worked with many of his own past lives so he is a reliable guide to others who are going through that process The author is a master teacher and the book presents its material in a steadily more complex form laying the necessary foundations before proceeding to the higher levels of learning There is a combination of theory and practical exercises so the learner can develop meditation skills gradually but with confidence building from one stage to the next to achieve mastery of the subject The writing is clear and concise and easy to understand In order to explain the often difficult ideas associated with meditation and spiritual growth Dr MacDonald draws on the language ideas and practice of Christian Hindu Jewish and Buddhist traditions to clarify ideas from different angles He also draws on relevant scientific studies of human consciousness to help make the ideas and aims of this Prayer of Silence clear to the reader

*Activate Heaven* John Eckhardt, 2021 Your voice has the power to bring heaven to earth Though the enemy has tried to limit it your voice is not confined to your car bedroom or shower You may have been silenced or told you have nothing valuable to say but God wants to use your voice He will put His words in your mouth so that when you speak He is speaking In *Activate Heaven* John Eckhardt shows you How your voice can increase the kingdom of God and bring healing deliverance and salvation The virtues that will help you temper your tongue so you deliver the right message at the right time from a right heart position The importance of the prophetic knowing the heart and mind of God in order to declare His will in the earth Declarations and confessions that will help you break your silence and release a new boldness It s time to stop complaining and begin prophesying It s time to stop talking about how bad the situation is and open your mouth and declare God s Word It s time to show up and activate heaven

*The Folly of Prayer* Matt Woodley, 2010-02-04 Prayer can feel mysteriously difficult boringly perfunctory and frustratingly out of our control Often prayer brings us comfort but sometimes especially when there aren t easy resolutions or prayers go unanswered it intensifies and focuses our sense of longing pain and care And often God uses our times of darkness and desperation to awaken our hearts to the ache within us and the cries of those suffering around us Prayer is all about coming before God to face life head on with all its jagged edges of mystery joy longing and agony In fact says pastor Matt Woodley prayer is actually a real encounter with the untamable God and Father of our Lord Jesus Christ and therefore our experience of it should reflect the power mystery and even risk of entering into relationship with the Lord of the universe In this book Woodley strips away all the religious speak and presuppositions we have about prayer distilling it to the essence of wholehearted engagement with the living God Exploring an earthy unadorned jargon free approach to prayer Woodley

unpacks a host of fresh synonyms for God encounters including prayer as desperation invocation mystery astonishment groaning and even absence These marginal ways of praying compel us to engage marginal people the desperate the groaning the victimized and the ignored As we pray God will open our eyes to the pain of the world around us With stories from his own experience and biblical and historical examples Woodley gives fresh language to describe a life grounded in prayer that leads to compassion and service

**Prayer** Mark Van Schaack, 2007-07-25 Prayer is an essential part of our Christian life yet few of us pray on a regular basis or if we do it is of short duration and ineffective Most tend to think of prayer as a duty and consider it boring not believing the answer is coming But the scriptures are full of promises to answer prayer and empower us for warfare Jesus is mentioned 21 times as praying in scriptures Jesus taught and demonstrated to his Disciples how to pray with results Paul also shares about a New Testament way to pray Also there are prayers prayed in scriptures that are not fulfilled yet but are on going that we can pray also Learn what hinders your prayers from being answered and exactly what prayer really is What does it mean to have a heart of Prayer Did you know you can pray the Word and always get an answer from God Did you know that we are to be a kingdom of Priests Get to know the power and authority we have in the name of Jesus The key to lock and unlock the bounty and resources of Heaven are in that name Learn the secret of agreement and the power intensified through fasting The Church has yet to take full advantage of effective prayer If you are not praying your Christian life is probably going nowhere and the enemy is having a field day with you Rise up and take your place as a man or woman of God and become what you were meant to be in Christ
