Pray Like Jesus Mark Driscoll, Ashley Chase, 2021 Praying like Jesus doesn t just change your prayer life it changes your entire life There are many books on prayer and books on Jesus but there is a need for a book about the prayer life of Jesus since His prayer life alone was the perfect prayer life How did Jesus pray Why did Jesus pray Where did Jesus pray These questions and more will be examined as we look at what Jesus taught about prayer as well as what Jesus modeled in prayer This book will be biblical practical and easy to read so that it is accessible to a broad audience Many people Christian and non Christian alike statistically value prayer and try to have some sort of prayer life But most people struggle to build any momentum in their prayer lives when they fall into a rut In *Pray Like Jesus* Mark and Ashley want to help people build momentum in their prayer lives by experiencing the presence of God in an ever deepening life giving burden relieving and hope lifting relationship with Jesus Christ

Kevin Sills, 2022-03-25 As Christians we are trying to be more like Jesus and constantly falling short of that goal The forty sermons in this book explore how anyone can be more like Jesus including those who have not yet given themselves to Christ In fact at the end of each sermon you'll see an invitation to do so and the back of the book includes a prayer that will allow you to be born again as a child of God The sermons are written in a way that can be understood by people from every walk of life They are easy to read and expound on the Word of God so you can take him into your heart The sermons also emphasize that as Christians we are held to a higher standard as we must love everyone even those who are evil We love them because God loves them Whether you're a Christian seeking to ignite your faith or someone with questions about Christianity the sermons in this book will change your life *Pray Like Jesus* Don Underwood, 2017-01-12 The Lord's Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In *Pray Like Jesus* pastor and author Don Underwood reexamines the content of the Lord's Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life At the end of each chapter he suggests ideas for making the prayer a part of daily spiritual disciplines Endorsements Don Underwood combines pastoral experience with biblical and theological insight to help us

Carl III,2006-10-03 This volume in the For Today series presents an accessible study of the

familiar words of the Lord's Prayer. Well-known preacher and seminary president William Carl III interprets the prayer in light of how it was understood by Jesus' disciples and also the significant role the prayer can play in the life of Christian believers today. The discussion questions at the end of each chapter make this an ideal book for group study in churches or for individual reading and reflection. The For Today series was designed to provide reliable and accessible resources for the study and real-life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today. Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use. Subject Guide to Books in Print, 1996. *A five years' course of Bible and Prayer book teaching. Lessons for the first (-fourth) year*, 1894. *Developing A Powerful Praying Church* Richard Blackaby, Rick Fisher, 2017-08-14. Today's Church faces challenges and crises it can only overcome through prayer. In their latest book *Developing a Powerful Praying Church*, Richard Blackaby and Rick Fisher focus on the adjustments pastors and church leaders must make in their prayer life in order to see a rebirth of God-honoring world-impacting churches across our nation.

Bases of the Preaching Marcos A. Toyens, 2019-11-23. The contemporary evangelical church faces serious difficulties. All their leaders are aware of this and they try different diagnoses and answers for it. It occurs to me that the current situation is similar to the tragic fate of Samson to whom the Spirit of God had left him and he did not realize it. As solutions are sought in human and pragmatic techniques, the patient aggravates their condition. The only correct answer is that this vanishing life be breathed in as at the beginning of creation by the Word of God. The spiritual life of the church and of ourselves depends on listening to and responding to the Word of God. And for this to happen, Scripture must take the central and authoritative position in the life of the church. **Praying Like Jesus** Gary Holloway, 2000-10. *Praying Like Jesus: What the New Testament Teaches about Prayer* by Gary Holloway, 2000. **Let Us Prey, Revised Edition** Darrell Puls, 2020-06-10. Jesus warned of wolves carefully disguised as shepherds coming into local churches as pastors. It is the perfect disguise for a predator to access and devour the flock, one lamb at a time, while proclaiming himself as their protector and guardian. The result is spiritual devastation, broken congregations, and even destroyed churches. Darrell Puls attests from experience that the enemy has infiltrated the North American church through pastors with dangerously high levels of narcissism. These pastors hide under layers of the sacred, but it is always an illusion of smoke and mirrors. Puls has experienced this reality from the inside as a staff pastor under a narcissist and from the outside as a church consultant. He carefully unpacks toxic narcissism in everyday terms and lets the victims tell their own stories. *Let Us Prey, Revised Edition* is as real as it gets.
