## **Prayer And Contemplation:**

*Carmelite Spirituality* Cardinal Anders Arborelius, O.C.D., 2020-06-15 Centered on prayer and contemplation Carmelite spirituality seeks to awaken in its practitioners an intense thirst for an immediate and direct experience of God from which can grow a deep and loving friendship with Him Most fully developed by St John of the Cross d 1591 and St Teresa of Avila d 1582 and then further enriched by St Th r se of Lisieux d 1897 Carmelite spirituality flourishes in solitude and silence nurtured by quieting external noise and turning away from interior distractions Not at all limited to persons in monastic or convent life Carmelite spirituality is meant for all who yearn for a deeper and sustained union with God That is it is meant for you In this illuminating book the Swedish Carmelite Cardinal Anders Arborelius shows you how by praying sacrificing and meditating in your own particular circumstances as the great Carmelite saints did in theirs you too can awaken to the sweet presence of God within you and grow ever more eager to hurry toward Him in your daily pilgrimage toward eternity With the help of good Cardinal Arborelius and these enlightening pages you ll learn Why true silence is necessary if you are ever to be transformed by the Word of God How to access or create for yourself such a transforming silence Why temptations are an essential part of every living spiritual life How even amid tasks and temptations you can recognize the enduring presence of Christ in your life How if you ask with sincerity the Holy Spirit will rush to your aid as you advance step by step toward an abiding intimacy with Jesus and with God the Father

### **The Practice of Contemplation According to John of the Cross**

James R. Kinn, 2009 This book is for anyone who now meditates regularly or who practiced meditation in the past As we grow in our prayer life John of the Cross is an excellent and encouraging guide to show us the way to the practice of contemplative prayer More Information Many of us learned about mediation from spiritual directors or books We practiced a reliable form of mediation for some years with varying degrees of success Over time however our prayer slowed down and became simplified We didn t find many new ideas to occupy our intellect and our emotions quieted down In time many of us experienced a crisis in our prayer life our prayer became so simple that it almost disappeared We tried different forms of prayer but we seemed to be reaching a dead end Throughout all of this we were never told that our prayer was developing naturally and positively What we were experiencing was not a dead end but the threshold of a new way of prayer What we needed was an experienced guide to show us the road ahead Enter John of the Cross He encourages us to see that the place we came to is a necessary state of our progress in prayer John teaches us that we come to contemplation not by struggling harder to pray but by calming remaining quiet before God He encourages us to realize that we have not come to the end of the road but are being made ready to be transported on a wonderful journey There is no better or more encouraging guide for us on this journey than John of the Cross The entire focus of this book is quite narrow it concentrates on John s teaching about the beginning of contemplation
