The missionary's responsibility to keep people from going to hell is carried first in fasting. Few have experienced long fasts several times a year, 48 hours a week, and 21 to 40 days as Dr. Fomum and believers in some churches in Cameroon have written. Dr. Lester Sumrall, in the preface to his book *The Ministry of Fasting*, one of the best books published on fasting, *Life Changing Thoughts on Fasting Volume 1* by Z. T. Fomum, is a collection of inspirational and practical information that will dispel all your doubts about fasting. It will edify you on the centrality of fasting, the necessity of fasting, the benefits of fasting, and the practice of fasting. Prayer is a wonderful thing, but fasting is something else. Enjoy your reading. *Prayer, Fasting, Almsgiving* Kevin Perrotta, 2012-01-03. Prayer, fasting, and almsgiving are often called spiritual disciplines. The term highlights their similarity to physical disciplines. But like a physical fitness program, we can go through the motions of these practices without deriving much benefit from them. Jesus wants the spiritual disciplines to work for us. Only the Holy Spirit can make us holy, but we can spur the Spirit to help us. That is what almsgiving, prayer, and fasting are: ways of seeking the Holy Spirit's help, ways of beginning to cooperate with his work in us. In this Bible study, popular Scripture commentator Kevin Perrotta selects six readings from Scripture, one Old Testament and one New Testament text for each spiritual discipline. Each passage confronts us with some of the most important aspects of these practices, showing us why we undertake them and how they can transform us so that we become more like the persons that God has created us to be. *Notes on fasting. By a layman*, 1870. **Effective Prayers** Rev. Robert Antwi, 2012-09. Many prayers go without answered, so I decided to seek the face of God to know how Christians will be able to get their prayers answered. Since I became a Christian in August 1984, I have seen most of my prayers answered in a very special way, so I would like to share with you some of the secrets I learned in getting my prayers answered. Our God is a prayer-answering God. First, we must have faith in God and trust that He is prepared to answer when we call on Him. But without faith, it is impossible to please Him, for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Heb 11:6. Prayer is diligently seeking the face of God, so if we are going to pray, then we should believe that God is going to listen and answer our prayer. *Fasting* Lynne M. Baab, 2006-11-30. Lynne Baab explains an ancient Christian practice that extends beyond giving up food to any regular activity in our contemporary lives. You'll see how taking a break from eating or drinking or checking e-mail or watching television opens us up to discover new things about ourselves and God and the world around us. *Three to Twenty-One Days? Esther's Progressive Prayer Fast* Dr. Pauline Walley-Daniels, 2013-12. Are you looking for ways to engage in prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for

breakthrough and deliverance from any Hamanic decrees enacted against them and their lives Building on that model this guide is a song of inspiration an encouragement through each season of the fast The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives Dr Pauline Walley Daniels fights a good fight of spiritual warfare She presents powerful effective prayers that are specific to the challenges individuals may face in fulfilling their destiny Susan Slusher Dean Christian International Equipping Network

Why Should I Fast? Daniel R. Hyde,2015-03-20 Today the church seems to have forgotten about the spiritual discipline of fasting Most of us have never heard a sermon about it and few of us have ever practiced it We think of fasting as an antiquated relic of the past So why should we fast in an age of fast food Pastor Daniel R Hyde argues that fasting is actually a basic biblical teaching and practice one that is vital to cultivating godly living in an ungodly generation Fasting is a means to the end of abiding deep and personal communion with the triune God through prayer The author explains what fasting is provides biblical examples of it reminds us of what Jesus taught regarding it and tells us how to go about it

Prayer: A Divine Invitation Pastor Curtis T. Hall,2024-04-12 A Divine Invitation is about having an intimate relationship with God We get to know who God is and what God has done for us Knowing who God is helps us in our prayer life where we can communicate with God freely and openly Prayer is important to our spiritual lives just as breathing is important to our existence It is the same way with prayer If we refuse or stop our spiritual life will cease to exist It is just that simple Plus Jesus is our example when it comes to prayer His life was saturated with prayer He prayed at every juncture of His life Prayer is an invitation that Christ gives to each of us so that we can come into His presence We do not need the help of anyone else to approach the God of the universe He s there waiting on us to come to Him in prayer Prayer lets us know that we have Someone who listens to our supplications and answers them according to His will Prayer is personal and intentional Prayer allows us to feel the love that Jesus has for us It draws us into His presence where we can find peace joy and contentment

Tools for Effective Prayer Clarence Washington Sr.,2016-02-12 Just like your lifestyle your current

prayer life is also perfectly designed to produce the result you are getting. If you want a prayer life that will enable you to experience God's presence like you never have before and move Him to bless you like He has never blessed you before, then you must start praying like you have never prayed before. Tools for Effective Prayer will teach you how to do that. There are some mechanics of prayers such as persistency and fervency that are essential for effective prayer. However, without the proper dynamics of prayer working to produce spiritual power in a person's life, the positive effects of the discipline of proper mechanics are nullified. Such is also the case with the contents of prayer. If one's prayers don't include the essential contents, effectiveness or power will be greatly diluted.
