God's Praise and God's Presence Gabriele G. Braun, 2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God's people's praise and God's presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method *Apostolic & Prophetic Dictionary* Abraham S Rajah, 2013-12-17 God is continually speaking and revealing certain key truths and phrases of revelation and whether we are new believers or ministry leaders the language of revelation and truth can empower us to become part of God's restoration But first we must understand this language The Apostolic Prophetic Dictionary Language of the End Time Church is a necessary tool for all who desire to be part of God's present day apostolic and prophetic movement With over five hundred well researched comprehensive entries it offers an insightful way to learn about the revelations needed for the body of Christ to fully embrace the model of the church seen in the book of Acts Learn phrases and words central to the language of revelation Transfer of wealth seven mountain kingdoms anointing impartation activation signs and wonders prophets in the marketplace Elijah company of prophets apostolic covering Joshua assignment and much much more Also unlock vital words of the Bible in these fields Eschatology Armageddon rapture end times millennial kingdom Antichrist and great tribulation Apostolic terms deliverance healing apostolic order commissioning and ordination Prophetic terms open doors God's timing God's release prophetic warfare and prophetic praise Movements apostolic and prophetic movement kings and priests movement saints movement glory movement new wine movement and kingdom now movement Gifts of the Holy Spirit special faith word of knowledge word of wisdom prophecy and discerning of spirits Works of the Holy Spirit demonstration of power power evangelism holy laughter and slain in the spirit Key Hebrew and Greek terms parakletos sozo kabod hoios tecknon and apokulupsis Common but misunderstood terms grace salvation calling and deliverance The Apostolic Prophetic Dictionary is needed for today's church and it promises to be unique relevant and full of revelation **Kabbalistic Teachings of the Female Prophets** J. Zohara Meyerhoff Hieronimus, 2008-07-21 The spiritual teachings of Israel's biblical prophetesses from a kabbalistic perspective Explores the lives and symbolic significance of seven female prophets Sarah Miriam Deborah Chanah Avigail Chuldah and Esther Uses the gematria of Jewish metaphysics to demonstrate that prophecy is a mystical initiatory path by which Divine Will is made known not only a tool for telling the future Presents practical applications of kabbalistic teachings for spiritual development The seven prophetesses of Israel Sarah Miriam Deborah Chanah Avigail Chuldah and Esther lived between 1800 and 350 BCE Their combined lives reflect a kabbalistic path of spiritual evolution

that is as pertinent to our lives today as it was for the biblical communities in which they lived From her studies of the Torah and classical gematria Zohara Hieronimus shows that each prophetess is linked to a Sefirah on the kabbalistic Tree of Life from creation Sarah through learning correct moral action Devorah to the promise of redemption and ultimately resurrection Esther Using the stories of their lives and teachings Hieronimus reveals the relationship of each prophetess to the seven days of the week the seven sacred species of Israel the human body and Jewish holidays and rituals This book presents the kabbalistic teachings of these holy women and what they reveal about the initiatory path of individual development and redemption The seven prophetesses show that every person has a part to play in the repair of the world and Hieronimus gives a practical set of maps and spiritual guidelines for that journey
