**Walking with God** John Eldredge, 2010-09-19 This is a series of stories of what it looks like to walk with God over the course of about a year So begins a remarkable narrative of one man s journey learning to hear the voice of God The details are intimate and personal The invitation is for us all What if we could hear from God often What difference would it make We have a lot to sort through on any given day A whole lot to navigate over the course of a week or a month Am I in the right place The right relationships How am I going to come up with enough money to do the things I want to do And what about love is this the one Will it last What is causing all those fears I keep pushing down inside Why can t I overcome those habits that look more and more like addictions Am I at the right church Should I even go to church What is God doing in my life All day long we are making choices It adds up to an enormous amount of decisions in a lifetime How do we know what to do We have two options We can trudge through on our own doing our best to figure it all out Or we can walk with God As in learn to hear his voice Really We can live life with God He offers to speak to us and guide us Every day It is an incredible offer To accept that offer is to enter into an adventure filled with joy and risk transformation and breakthrough And more
