Life in Christ Steve Harper, 2020-09-01 E Stanley Jones observed that people know everything about life except how to live it We humans have acquired immense knowledge and achieved great things We are enlightened Jones said but not necessarily enlivened Steve Harper has been mulling over this human situation for a few decades and offers his profoundly inspiring conclusions in Life In Christ Harper helps us recognize our tendency to search for life through rules and dogmas rather than in relationships with other people and with God By living in relationship we live as enlivened Christians the abundant life God intends for us and the life we long for He encourages us to see the spiritual life as a movement where we are always on the way taking steps forward to continually align our lives with Christ He shows us how Christ can be the goal and pattern for our lives motivating us to live as God's beloved and as instruments of God's love Harper provides a wealth of

Joseph Stallings,2019-11-07 Are we Methodists ready for the

work of God to be unleashed Are we ready for Methodism to be the catalyst of yet another New Pentecost God has decisively acted in Christ and Christ says Do this Therefore there is only one real answer since not ready is not a valid response For United Methodism to be revived there can be no more such excuses Christ showed us his presence and power through Constant Word and Sacrament praxis during the time of the Acts 2 church Christ then again showed us his same divine presence and power through Constant Word and Sacrament praxis during the Methodist Evangelical Revival We have now been given two millennia to view this work of God We Methodists were born of this work of God How much more being made ready to unleash it do we require *The Way to Heaven* Steve Harper,2009-08-30 Is There a Way to Heaven The great

evangelist John Wesley believed there is and he developed his theology to help people make the journey from sin to salvation In Wesley s order of salvation God s grace is the keynote from start to finish The Way to Heaven is a twentieth anniversary revision of John Wesley s Message for Today Dr Steve Harper presents Wesley s writings and the ideas of Wesley scholars in language that is clear and accessible but never simplistic Written in the spirit of Wesley here are plain words for plain people The heart of this book is a thoughtful and inspiring look at Wesley s theology of grace and its power to transform Included are two new chapters Vision and Means explores Wesley s mission and methods and To Serve the Present Age considers the impact and relevance of his message today In addition an updated reading list facilitates further study and questions at the end of each chapter stimulate personal reflection and small group discussion Ideal as a textbook or for personal study and

Transforming Evangelism Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism

and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor
