Getz,2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that s not a red warning flag that prayer has a serious public relations problem what is *Praying When Prayer Doesn t Work* is a thoughtful often witty account of the author s journey to find prayer s elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer s four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seeker s of the truth how to get personal with God and make praying a choice not a chore **Mercy & Melons** Lisa Nichols

Hickman,2014-09-02 *Mercy Melons* is a collection of lyrical meditations that encourage the reader to pray the alphabet Each chapter focuses on a letter of the alphabet and an accompanying spiritual practice By naming an everyday object and a theological theme readers are given elegant takeaways to spark the imagination as well as engage the practice of prayer In the Hebrew acrostic tradition praying the alphabet served as a pathway to memorization as well as a prompt for thoroughness Even more so praying the alphabet puts all of the letters into God s presence for God to arrange the letter of a person s unspoken prayers Drawing on this rich tradition the book adds two dimensions First it encourages eyes to see the word made flesh in the nouns the melons and grasshoppers of daily life And second draws the reader into the word by asking the reader to articulate and name the specific ways that came alive for them each day *Praying the alphabet* is a practice as

timeless as the Old Testament and for every day that ends in Y This book offers momentum for the journey of prayer and paying attention Mercy and Melons **The Prayer of Jesus** Kent Gramm,2015-01-20 This unique phrase by phrase exposition reads the Lord s Prayer as Jesus description of God Our heavenly Father is the perfect parent beyond our dreams who loves provides forgives and ultimately protects Finding our parent we discover who we really are and enter a kingdom without boundaries The Prayer of Jesus is not a somber duty it is the essence of the gospel s happy news If laughter is forbidden in heaven said Martin Luther I don t want to go there *Praying with Purpose* Stephen Nelson Rummage, Many Christians crave something more from their prayer time We pray knowing that God hears and answers our prayers but we also know that prayer should be something more than recited phrases and personal wish lists God wants prayer to become vital to everything we do Using Scripture passages applications and a prayer guide Praying with Purpose is a five week study designed to teach believers how to pray without ceasing Perfect for church use small groups or individual study

Star-Spangled Blessings Todd Starnes,Michelle Cox,2025-06-17 President Reagan once called the Western White House his Open Cathedral It s a bit ironic because Reagan s Rancho del Cielo is hardly palatial It s a simple ranch house on more than six hundred acres of mountain land Reagan spent many years riding horses on the dusty trails But there was one particular spot that brought him great comfort Whenever the president was facing a moment of crisis he would visit a place that would become known as the Psalm 121 Overlook I look to the hills from whence cometh my strength My help cometh from the Lord the Maker of heaven and earth Reagan found strength and encouragement in those words as did many of the great American patriots we introduce to you in these pages What a blessing to know that so many of our leaders placed their faith in a much higher power than Washington DC Michelle and I hope that you too will be strengthened and inspired by our little devotion book Our nation has such a rich and vibrant Christian heritage and it s our hope that you will find many Star Spangled Blessings
