Anglicanism in the Ottawa Valley Frank Alexander Peake, 1997 When the Anglican Diocese of Ottawa was established in 1896 few could have imagined the changes through which the Church and the world would pass in the century that followed This collection of essays commemorates the trials and triumphs of Anglicanism in the valley region during those hundred years The essays themselves trace this evolution from diverse perspectives scholarly personal and even critical Anglicanism in the Ottawa Valley is a unique celebration of the nature and mission of an historic church as it approaches the advent of the new millenium **Story, Formation, and Culture** Benjamin D. Vande Kappelle,2019-03-08 When you think of God what images come to mind Do you see God in others Do you acknowledge God s presence in each circumstance and situation of your everyday life no matter how trivial How you conceive God determines how you experience God As contemporary author Frederick Buechner advises Listen to your life Listen to what happens to you because it is through what happens to you that God speaks While spiritual life of some kind is necessary for psychological health psychotherapist Thomas Moore indicates in *Care of the Soul* that excessive or ungrounded spirituality can be dangerous leading to compulsive and even violent behavior It is better for religious seekers to embrace a religious practice that has been tested and refined over time than to experiment solo or by joining some exotic new sect In this book Dr Vande Kappelle explores the richness of Catholic and Protestant spiritual traditions and the power of intuition and imagination to chart an approach to the sacred that is simple practical and effective Holistic religion requires three elements in creative tension a historical or institutional element a mystical or emotional element and an intellectual or scientific element If you want to know what this means and how it is accomplished read this book Designed as a study guide for group or individual use *In the Potter s Workshop* will challenge and inspire you to experience God in ways that are sustainable and transformative *Cardinal Jean-Marie Lustiger on Christians and Jews* Bruce Tallman,2005 Written by an experienced practitioner this book offers spiritual directors a road map to becoming more fully conscious and proficient in their work helps directees learn to discern the good director from the not so good and teaches both director and directee how to cope in less than ideal spiritual direction situations The author describes the four heroic archetypes Sovereign Warrior Seer Lover and the antiheroic archetypes associated with each of them **BOOK JACKET** *Teaching about God and Spirituality* Roberta Louis Goodman,2002 A wide array of renowned scholars and practitioners share their ideas for teaching about God from a Jewish perspective in this comprehensive collection This enlightening yet practical resource includes ready to use lessons for preschool through adult and family education as well as background material to enrich the teacher s own sense of God and spirituality Chapters include *Writing a Personal Theology* by Dr Neil Gillman *The Changing Perceptions of God in Judaism* by Rabbi Rifat Sonsino *The Spiritual Condition of American Jews* by Dr David Ariel *The Image of God as Teacher* by Dr Hanan Alexander *Spiritual Mentoring* by Dr Carol Ochs *Tell Me a Story* by Rabbi Sandi Eisenberg Sasso *Joy Together* Lynne M. contemplative prayer lectio divina hospitality and Sabbath keeping She goes on to explore how these practices can help with congregational life and discernment and provides practical instructions for communicating with group members Discussion questions are included at the end of each chapter so groups can delve into the topics more fully **Making Prayer Real** Rabbi Mike Comins, 2010-12-15 Fresh Useful Perspectives on the Spiritual Dynamics of Prayer Better music better sermons and better prayer books can only go so far Many innovations have been tried around the world and no doubt synagogue leadership will continue to think creatively about improving services But deep and lasting change will only come when each of us takes ownership and responsibility for what only we can really guide our inner lives from the Preface Join over fifty Jewish spiritual leaders from all denominations in a candid conversation about the why and how of prayer how prayer changes us and how to discern a response from God In this fascinating forum they share the challenges of prayer what it means to pray how to develop your own personal prayer voice and how to rediscover meaning and God's presence in the traditional Jewish prayer book Religion, Spirituality, and Aging Harry R.
