**Learning to Love God** Richard Peace,2015-04-28 God is alive and personal but he is also spirit So having a relationship with God is different than having a relationship with any other person This study will help you discover how you can grow and nurture your relationship with the living God You ll learn how to study the Bible as you examine and discuss topics such as Encountering God Knowing God Being Sure We Know God Learning about God Conversing with God Worshiping God Following God Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader s Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others [Movies Are Prayers](#) Josh Larsen,2017-06-13 Movies do more than tell a good story Filmspotting co host Josh Larsen brings a critic s unique perspective to how movies can act as prayers expressing lament praise joy confession and more When words fail the perfect film might be just what you need to jump start your conversations with the Almighty [The Two Sides of the Golden Rule](#) Martha Fehr M.A.,Wes Fehr Ph.D.,2011-03-18 I believe that the Bible teaches assertiveness as the most mature biblical way of living In very simple terms assertiveness is when we say Come sit with me Let s talk about our relationship What is working for us and what needs to change When we are assertive we do not run and hide from relationship difficulties neither do we demand that things are done our way Instead we face the problems head on and in a calm but firm manner we address the issues that need to be resolved When I have been privileged to help people become assertive they have not only improved their interpersonal relationships they have developed a healthier self esteem and for people with a faith in God that relationship has also deepened Because I have seen such positive changes in the clients I have worked with I have become passionate about the importance of being assertive My own relationships have also improved when I have practiced assertiveness Before I worked as a counselor I taught school for several years Later as a counselor I wished that someone would design a course on assertiveness that could be used in the classroom If children would learn the value of assertive behavior early in life they would struggle less with relationships throughout their lives [The Pursuit of God's Own Heart](#) John E. Leon,2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13 22 Why Why would God give David such a characterization Wasn t he also a man

of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel s history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David s story It s God s metanarrative His Story We will find there is a deeper message from God that transcends David s life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2 30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David s life we learn the meaning and purpose of the Christian life Why Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him
