One Prayer** Holly A. Melton,2020-05 Once our children begin school time with them is greatly decreased and other people begin to influence their lives It is one of the most crucial times for us to be intentional in discipling our children But how do we do it And when can we do it with our busy schedules We disciple our children by reading the Bible discussing how to apply it to our lives and then praying together for God to continue to make us more like Him Praying with Your Kids Before School will guide you to do just that each day of the school year You don t have to start in August you just have to start Remember prayer changes us Prayer brings us closer to God and each other by growing in our understanding of scripture and asking Him to help us to apply it to our lives The sooner we bring this discipline into our homes the sooner God can guide us how to disciple our children in the way they should go Each week has a theme to explore in the Bible that can be prayerfully applied to you and your child s lives Every verse is also paraphrased into an easier understanding for younger children with a shorter prayer for them to recite so that the book can be used on both older and

younger children At the end of each chapter there will be a blank page where you can write out a personal prayer related to the topic for your child This book becomes not only a guide on how to disciple your child but a precious keepsake of how you ve prayed for them and how God answered your prayers for your child throughout the year This one discipline that can renew our minds change our attitudes and impact our behaviors and decisions If we are faithful to spend these few minutes with God in prayer we can be transformed together to become stronger and to become more of who God wants us to be One verse one prayer just might change the trajectory of their lives *Pocket Prayers for Children* ,2009 A collection of prayers for children using the Lord s Prayer as a base featuring traditional and modern prayers to help inspire children in their faith An ideal present for anyone who prays with children to give to children who are starting to pray by themselves or as a baptism or confirmation gift [Come by Here, Lord](#) Cheryl Willis Hudson,2001 Come By Here Lord is a unique collection of 18 simple yet powerful prayers that offer spiritual nourishment and celebrate the special relationship a child has with God Organized into morning afternoon and evening prayers this collection offers excellent choices for introducing childhood favorites such as Now I Lay Me Down to Sleep A Child s Grace and The Lord s Prayer as well as original meditations Each prayer is complemented by a Bible verse and illustrated with striking color photographs showing African and African American youngsters in a variety of everyday settings **Just Small Enough** Sarah Ann Vanderslice,2021-04-26 Jesus said let the children come to me He values their unique faith and audacious sense of wonder He sees that children have something we adults do not an asset we often lose the innocence and simplicity of faith in their Father Never Part encourages your child to pray without ceasing and knit their spirits with Jesus and the Holy Spirit at their earliest stages of growth **Words to Jesus** Cindy Branton,2021-07-27 Is there anything more important than teaching your children to pray In this book of prayers children partner with parents and read through words that will imprint your child s heart with God s truth As you pray together your child will see biblical answers to difficult questions in life In this book there are prayers for a variety of real life situations that impact a child s life There are 15 litanies prayers with a leader and a responder for your child to learn and delight in A few of the topics covered are Waking Up in the Morning Dealing With Change When I m Angry When I Have a Bad Dream Your child will adore and cherish this book because the language is specially crafted for them This will be the book they ask for on repeat because the colorful characters bring each situation to life Kids can relate to the big feelings that each lovable animal is experiencing Parents will love this book because it s so much more than a book of prayers Being a collection of litanies there is a part designed for parents and a part designed for children Your child can read it with you well before they even know all of their letters Children will memorize the repeated words not only allowing them to be a part of the experience but also hiding God s word in their tender hearts There is also a list of other activities that parents can do with this book making it a new experience every time you read This is the book you will want to keep near you whether it s at the dining room table the bedside or even tucked in a diaper bag This would be a perfect gift for a baby shower or even a
