largest independent congregation during the nineteenth century While many factors have been highlighted that help explain the effectiveness of Spurgeon s preaching the foremost secret that empowered Charles Spurgeon was his devotion to prayer When people would walk through the Metropolitan Tabernacle Spurgeon would take them to the basement prayer room where people were always on their knees interceding for the church Then Spurgeon would declare Here is the powerhouse of this church That statement is backed by the amazing number of sermons that Spurgeon preached on prayer Spurgeon was a great believer and teacher in passionate Holy Spirit directed prayer His word pictures of the majestic throne of grace that God calls believers to be privileged to come before is well worth the price of the book alone You will be inspired and challenged in your prayer life especially if you experience struggles in prayer **Today's Prayer** Stephen

Kyeyune,2019-05-30 This book is written to all kinds of people because all of us need to pray Praying means asking None of us is exempted from praying because we are all dependants in one way or another Everything that is not God depends on God We are inadequate because there is no time we don t have expectations to meet We have shared human desires For example everyone needs to be loved We are all exclusively dependants on God because the desires of the human heart can only be found in the Lord Trying to fix things apart from God is the recipe of failure Praying is the greatest fellowship with God We pray to the all sufficient God because we are insufficient by ourselves Humanity with all human resources cannot save or fulfill itself Our desires are endless and are constantly changing For example our eyes are never satisfied with seeing we always want to see something new Our ears are never satisfied with hearing we always want to hear the current news Likewise the soul is never tired of yearning for the transcendent People take different avenues when seeking for fulfillment but only those who have discovered the power of prayer experience true fulfillment We are called to pray unceasingly because there is constantly a feeling of emptiness when we do not communicate with God Emptiness is the reality of the void that colonized the heart which was once a sacred space occupied by the Divine Praying is to be intimate with God it is having God s ear and eye in order to see the earthly things from the heavenly perspective *21 Keys to Answered Prayer* Dave

Thielicke, 2016-11-24 The Lord's Prayer can be spoken at the cradle or the grave It can rise from the altars of great cathedrals and from the dark hovels of those who eat their bread with tears It can be prayed at weddings and on the gallows All seven colours of our life are contained in it and so there is never a time when we are left alone In these sermons delivered in the shattered city of Stuttgart during the last days of the war Helmut Thielicke examined the Lord's Prayer phrase by phrase drawing from it both immediate comfort and inspiration for the future As he expounded upon the inner meaning of the familiar phrases he enabled his despairing congregation to share in this promise of hope to see the world in a new way through prayer Today for those who are prepared to listen his words still carry the same power **Prayers for Children**

The Kingdom of God John

Fuellenbach,2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come
