Religion and Social Protest Movements Tobin Miller Shearer,2021-06-14 What role has religion played in social protest movements This important book examines how activists have used religious resources such as liturgy prayer song and vestments with a focus on the following global case studies The mid twentieth century US civil rights movement The late twentieth century antiabortion movement in the United States of America The early twenty first century water protectors movement at Standing Rock North Dakota Indian independence led by Mohandas Gandhi in the early 1930s The Polish Solidarity movement of the 1980s The South African anti apartheid movement of the 1980s and 1990s Prayer as a sacred act is usually associated with piety and pacifism however it can be argued that those who pray in public while protesting are more likely to encounter violence Drawing on journalistic accounts participant reflections and secondary literature Religion and Social Protest Movements offers both historical and theoretical perspectives on the persistent correlation of the use of public prayer with an increase in conflict and violence This book is an important read for students and researchers in history and religious studies and those in related fields such as sociology African American studies and Native American studies
Reflective Prayers: 930 - 1019 William Flewelling,2025-06-23 ese Re ective Prayers consider a pondering over the assembly of texts for a given occasion a service at which the readings from the Revised Common Lectionary are read e notion

that inspired the process of this reflection came from the Prayers of Catherine of Siena where the editor/translator Suzanne Nokes O P noted that Catherine's prayers recorded by her confessor followed the readings at daily Mass. Over the years these reflections have proved valuable to me and have come to be published in this form in batches of 90. This volume contains the prayers over several years beginning in May of 2003.

Treason Don Brown, 2009-05-26 The stakes are high and the entire world is waiting for the verdict. The Navy has uncovered a group of radical Islamic clerics who have infiltrated the Navy Chaplain Corps inciting sailors and marines to acts of terrorism. And Lieutenant Zack Brewer has been chosen to prosecute them for treason and murder. Only three years out of law school, Zack has already made a name for himself winning the coveted Navy Commendation medal. Just coming off a high profile win, this case will challenge the very core of Zack's skills and his Christian beliefs. Beliefs that could cost him the case and his career. With Diane Colcernian, his staunchest rival as assistant prosecutor, Zack takes on internationally acclaimed criminal defense lawyer Wells Levinson. And when Zack and Diane finally agree to put aside their animosity, it causes more problems than they realize.

Sweatin' the Small Stuff Jared Freeman, 2010-04-30 This book reaches people from all walks of life. The ideas presented are simple, timeless, and extremely important. The central idea is to tie in great stories from people that bring with them unique perspectives and backgrounds and center them on Christian principles of leadership. The stories enable each reader to bring with them their own perspective and will get different things out of each story. It is not a how-to book on leadership; rather, an inspirational and informational book that provides each reader with practical Christian principles that can help any leader develop, motivate, and lead a successful team. When you put Christian values into your decision-making process, get ready for real success.

Corina's Way Rod Davis, 2015-03-01 The Reverend Corina Youngblood, minister of the African Spiritual Church of Mercy, is a woman powered by Jesus and the saints. Her corner store, St. Jude Lamb of Light Botanica, which caters to the eclectic religious and spiritual needs of New Orleans, is threatened by her Cuban ex-lover and mentor, Elroy Delgado's plans to open a Kmart-like Superbotanica nearby. Gus Houston, a displaced former army officer now ersatz chaplain at an exclusive girls' school, stumbles into Corina's store, discovers her mesmerizing powers, and strikes up a profitable and prophetic relationship, sending Corina his troubled students for consultation. When Gus hits on the idea of entering the wealthy white girls into the gospel singing competition during the Jazzfest, he triggers a series of events that has all sides evoking the spirits for good and ill. Davis combines religion, voodoo, New Age philosophy, and good old-fashioned capitalism, greed, envy, and a host of other unsavory motives in his entertaining first novel.
