

Short Prayer for Moving Away

Dear God, I have to move away from where I've been living and while I'm excited about it, I also don't want to leave where I know people and have lived for a few years. Please help me to let go and leave well. Also please help me embrace my new place and this new season of life where I am headed. In the strong name of Jesus I pray,
Amen.

making us sons of God that we may become the same as God in His life and in His nature but not in His Godhead so that we may be God's expression. We need to do the will of God in the realm that carries out His will, the kingdom of God. We do the will of God in the kingdom of God of which the central government is the enthroned Son of Man, Jesus, who is Lord of all. When we do the will of God in the kingdom of God under the government of God, the church becomes the Israel of God which fulfills God's commission to subdue the earth to exercise dominion and to represent God with His authority. As the Israel of God, we represent God, exercise His authority, and carry out His administration on earth for the fulfillment of His purpose. If we take the Father's will upon us as a yoke and learn from Him, we will find rest for our souls. Hence, in the church age, we need to enjoy Christ as our rest, our perfect peace, and full satisfaction in order to be His expression and representation on earth. When there is a situation on earth in which man expresses God and represents Him, that situation is a Sabbath rest to God. Everything of God's economy is not a heavy burden but an enjoyment. The Lord's yoke, the Father's will, is easy, and His burden, the work to carry out the Father's will, is light. It is a divine principle that God does not ask us to work until we have had rest and enjoyment. It is in a full enjoyment with Him and of Him that we can work together with Him. A central aspect of God's will is the church, which is the assembly of the called-out ones. As such, the meetings of the church are crucial to the carrying out of God's will. Our doing God's will depends on our knowing His will, and it is in the meetings that God makes His will known to us. Since the Christian life is a meeting life and much of the Lord's work is carried out in and through the meetings, we should regard the meetings as being of great importance. The goal of our meeting together is to exhibit Christ; therefore, our Christian meetings should be an exhibition of our experience of Christ in our daily life. Since the Father's eternal will and the desire of His heart are to build up the church as the Body of Christ, we do His will by functioning in the meetings according to the scriptural way to meet for the building up of the Body. The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe.

Perspectives on Prayer and Spirituality Maurice Elliott, Patrick McGlinchey, 2021-02-12

Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment. Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before. Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals. It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one. It acknowledges that there must be more to life than what secular media or consumerism might tell us. The joyful message of *Perspectives on Prayer and Spirituality* is that the spiritual quest is a valid one and worth exploring. There is treasure to be found. However, the surprise is that we must rediscover what we have left behind. In the words of G. K. Chesterton, it is not that the Christian ideal has been tried and found wanting; rather, it has been found difficult and left untried. This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure. The title

Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known
