tradition Our basic prayers and why they re important And more This easy to read book will help you find ways to pray that will make a difference in your life today and every day *Meditation as Spiritual Therapy* Matthew McWhorter,Matthew R. McWhorter,2024 Christian persons today might seek spiritual development and ponder the benefit of mindfulness exercises but also maintain concerns if they perceive such exercises to originate from other religious traditions Such persons may not be aware of a long tradition of meditation practice in Christianity that promotes personal growth This spiritual tradition receives a careful formulation by Christian monastic authors in the twelfth century One such teaching on meditation is found in the treatise *De consideratione* written by St Bernard of Clairvaux d 1153 to Pope Eugene III d 1153 In textual passages where St Bernard exhibits a clear concern for the mental health of the Pope due to numerous ongoing ecclesial political and military problems St Bernard reminds Eugene III of his original monastic vocation and the meditation exercises associated with that vocation The advice that St Bernard gives to Eugene III can be received today in a way that provides a structure for Christian meditation practice which is relevant for personal development spiritual direction and civil psychotherapy that integrates a client s spirituality into the course of treatment St Bernard thus might be interpreted as a teacher of a kind of Christian mindfulness that can benefit both a person s mental health as well as a person s relationship with God Meditation as Spiritual Therapy examines the historical context of Bernard s work his purpose for writing it as well as the numerous Christian sources he drew upon to formulate his teaching Bernard s teaching on the course of meditation itself is explored in depth and in dialogue with his other treatises letters and sermons Lastly a contemporary summary of Bernard s teaching is provided with reflections concerning the relationship of this teaching to contemporary spiritual direction and spiritually integrated civil psychotherapy *Called to Christian Joy and Maturity* Gordon C. DeMarais,Daniel A. Keating,2021-05-21 More than ever Christians must be grounded in their identity and purpose to reach a hurting world This groundbreaking book brings together the latest best practices for how to be and help others become mature balanced and joyful Christians today Evangelism experts Gordy DeMarais and Daniel Keating lay out thoughtful actions for effectively bringing Christ to the world A must read for every follower of Jesus **The How-To Book of Catholic Devotions, Second Edition** Mike Aquilina,Regis J. Flaherty,2016-02-22 The best selling book now updated with new content and a great new cover This is a great resource for all Catholics and perfect for RCIA candidates Includes an updated examination of conscience as well as updates on spiritual direction Marian consecration helpful Catholic apps and lots more [The Catholic Guide to Depression](#) Aaron Kheriaty,John Cihak,2012-10-25 This book helps you to distinguish depression from similar looking but fundamentally different mental states such as guilt sloth and the darkness of sin [How Can You Still Be Catholic?](#) Christopher Sparks, Christopher Sparks asked Facebook friends to finish the question How can you still be Catholic when The replies came swiftly and forcefully With that Sparks went to work Here is the result In this book he addresses the biggest issues people grapple with when they think about the Catholic Church the Inquisition the Crusades the Church s role in a state

homosexuality the role of women in the Church and many others For skeptics and non Catholics this book is an invitation to understanding the faith a way for outsiders to hear one contemporary Catholic s worldview and to see through Catholic eyes even if they remain unconvinced For Catholics this book is an introduction to an array of answers and resources for delving more deeply into and defending the faith *Mending Broken Relationships, Building Strong Ones* John Boucher,2015-08-01 We all struggle with relationships that are broken in some way In this book authors John and Therese Boucher show us eight ways to love like Jesus through intercessory prayer respect forgiveness gratitude affirmation forbearance honesty and a healing presence These are gifts that are given to us through the power of the Holy Spirit Like seeds that are placed in the earth these virtues and gifts can grow with prayer mutual support and practice and become the paths to strong and fulfilling relationships Each chapter focuses on a different path to love Many real life stories including those from the saints help readers to connect these virtues and gifts to their own lives **Meditation in Judaism, Christianity and Islam** Halvor Eifring,2013-10-24 Meditative practices have flourished in widely different parts of Eurasia yet historical research on such practices is limited Research to date has focused on contexts rather than actual practices and within individual traditions For the first time in one volume the meditative practices of the three traditions of Judaism Christianity and Islam are examined They are viewed in a global perspective considering both generic and historical connections to practices in other traditions particularly in India and East Asia Their cultural and historical peculiarities are examined comparing them both to each other and to Asian forms of meditation The book builds on a notion of meditation as self administered techniques for inner transformation a definition which focuses on transformative practice rather than notions of meditative states and mystical experiences It proposes ways of studying meditative practice historically and concludes with an essay on the modern scientific interest in meditation **First Things** ,2007 The Catholic World Report ,2006 **Inside the Vatican** ,1993 **Subject Guide to Books in Print** ,1971 *New Oxford Review* ,2002 Crisis ,2002 A journal of lay Catholic opinion **American Book Publishing Record** ,2002 *The Catholic Library World* ,2002 *Books in Print Supplement* ,2002
