

The wonder of prayer is rediscovered in who  
we're speaking to. Prayer is a mystical event by  
which we get to talk to the Creator of all-the One  
who fashioned our world with a few words-  
knowing that God not only listens but answers.

**Christianity Rediscovered** Donovan, Vincent J., 2019-10-29 This profound and thought provoking book is one of the classics of modern missionary writing Superficially just a good missionary story about how one man brought a number of groups of Masai people in east Africa to Christian faith it is something much more than that For in what the author says about the method and content of evangelism the meaning of the eucharist and the nature of ministry we are led back to the question our understandings of the mission of the church in all its contexts For Donovan his experiences in Africa meant a total reappraisal of the meaning of his faith and therefore a rediscovery of his Christianity His book which is written with moving simplicity continues to represent a provocative challenge to all those engaged in issues of evangelism and multiculturalism

*Christianity Rediscovered* Vincent J. Donovan, 2014-07-24 This profound and thought provoking book is one of the classics of modern missionary writing Superficially just a good missionary story it actually says much more about issues such as the meaning of the eucharist and the method and content of evangelism

*Rediscover the Rosary* Matthew Kelly, 2017 We live hectic lives in a chaotic world All this can lead to confusion that fogs the mind unsettles the soul and leads to poor decisions Amidst such chaos and confusion our souls yearn for peace and clarity We long to hear God s voice with greater clarity God wants to put things in order He wants to rearrange our priorities If we let him we will be happier than we ever thought possible in this lifetime and finally then we will come to know the peace for which we all yearn but so few of us ever find Our Catholic spirituality is constantly inviting us to establish the deep roots of order in our lives and one of the best ways I know to do that is by praying the Rosary The Rosary works It s a very powerful way to pray There is just something about it that settles our hearts and minds It puts everything in perspective and allows us to see things as they really are It reaches deep down into our souls and puts us at ease creating a peace that is rare and beautiful When I pray the Rosary I am a better person It makes me a better son brother husband father

**Birkat HaMinim** Yaakov Y. Teppler, 2007 One of the intriguing questions in the study of the period of the reformation of Judaism after the destruction of the Second Temple is the identity of a group which appears in hundreds of Talmudic sources from those days the minim It is clear that most of these sources reflect different facets of the polemic between Judaism and Christianity which were both engaged in establishing their identities This book concentrates mainly on the second century CE and includes two basic questions the question of the earliest text of the twelfth blessing of the central Jewish prayer

composed at that time Birkat haMinim and the question of the identity of those minim who are cursed in this blessing In the first section of the book Yaakov Yanki Teppler analyzes the blessing itself In the second section which concerns the question of its principal objects he sets out on a quest for the characterization of the minim using all the hundreds of sources which deal with them Having united these two sections in one framework a proposal is made as to the identity of the minim This proposal should provide a coherent basis for further research on this subject laying a firm foundation for understanding the processes of separation between Judaism and Christianity in this stormy and fascinating period
