**Still Move Mountains** Florence Mutambanengwe, 2012-01-09 When I was a small child my grandfather made whole family pray I remember that some of the family members used to get tired of praying everyday They would run away from the main farm house and hide However that would not stop granddad Maxin Mwanyenya Mutambanengwe It was like some fire had been put on him He would pick up his walking stick and go round all the outer buildings as though he was hunting for a thief Why did he do that everyday He would come back with all the boys who were hiding from him Only then would the prayers start He never got tired of this activity Even if only one of the boys was not there he would stop and go and look for him Now I know he was actually fighting with the devil I am sure he used to chase the devil away from all his grandchildren We had the bible but in those days he is the one who read the bible for us He loved singing therefore we had a praise and worship session and then read from the word of God Then he would pray and dismiss everyone Now that I know I hope Prayers that Moved Mountains Still Move Mountains will be of assistance to those families that wish to have prayers on a daily basis Just as reference to how these people prayed and how their prayers were answered Prayers that Moved Mountains Still Move Mountains is a selection of powerful prayers Men of God prayed and these prayers were answered in most miraculous ways God will answer you just as he answered those powerful men and women He has answered my minor and major prayers Jesus offered prayers and petitions with loud cries and tears [The Secret of Prayer that Moves Mountains](#) Gordon Lindsay, 1974

*Moving Mountains* Nathaniel Drysdale, 2012-07-01 Often times in our lives we are faced with challenges situations and plain old problems We know about prayer We think we know about God We think we have this life all in control Then amazingly life just has a way of falling to bits and pieces around us That is what this is about The falling to pieces but more importantly the putting them back together For the past few years I have been writing prayers My prayer s sometimes may have seemed simple some really deep and some well they were just there The prevailing theme is that these prayers got me through some of my most challenging times If we are going to move mountains in our lives then we have to be mountain movers One of the great things about a mountain climber is that they celebrate the times they made it to the top of the mountain as well as the times they almost did not because in each was an opportunity to learn Because life is not about the winning and losing rather it is about the Journey to get there Throughout this collection I hope you find a prayer that can lift you up and help you to move your mountains Sometimes in the midst of moving your biggest obstacles and mountains in life God swoops down and plugs a thought in your head Consider these prayers those thoughts Hmm I feel a thought coming on right now So let us now begin our mountain moving journey
