The Living Church ,1946      **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation      **The Great Omission** Dallas Willard,2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to

restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24 7 life with Jesus      **Hand in Hand with God Witnessing on the Way** Flora L. Williams,2006-05-30 The journey that began as a pleasure trip to Mexico would have been a tragedy if it hadn't become an encounter with the Holy along the way Follow the author as she overcomes a debilitating accident and journeys onward to rearrange her life for ministry and service Through valley and mountaintop experiences her journey inspires any with tormented spirits wounded hearts loss of limb a loss of trust in people or a need for change Prof Tom Mullen Flora spares no details about the accident her reactions to it or the reactions of others Delightful are pages in which she tells in quick sentences how she learned to rearrange the house reorganize her desk and play the piano with only her left hand Pres Gene Roop Flora uses her wounds not as an easily justifiable spring of bitterness but as a sweet healing balm for others Anyone can read her story and realize that we are all at some point wounded travelers and that our wounds are meant to be a source of healing for other pilgrims Director William Field      **Preaching** James Cox,2002-06-17 Stands head and shoulders above the other texts Cox has complete mastery over all aspects of preaching Students and teachers will be awed Review and Expositor A contemporary restatement of the fundamentals of good preaching serves as a splendid refresher course for old timers and as a basic text for some of the newer preachers A distinctly practical handbook The Christian Century Balanced practical and familiar The strength of the book is the many practical sections in which the author gives step by step guidance A useful ring on which to cut one's homiletical teeth Theology Today Inspiring offers excellent counsel on ways to master the message will strengthen any pulpit Ministries A strong and worthy book may well prove little short of revolutionary in the years ahead The Christian Ministry      **El Tigre News** ,2003      **Turning Point** Dick B.,1997 Dick B is today regarded as the leading A A historian He is a writer Bible student retired attorney and active recovered member of the A A fellowship He has brought to the history table 1 His strong belief in the Creator Christianity and the Bible as the main source book for truth 2 His long and fervent work with newcomers in helping them to overcome their alcoholism with the power of God 3 His talents in writing and research that emerged from his work at the University of California where he received a Phi Beta Kappa key his editorship of the Stanford Law Review and his vigorous practice in writing and presenting legal briefs before many many courts This mid point treatise had been followed by and added up to 33 A A history titles so far This book is foundational      [How to Make Prayer More Effective](#) Herbert Lockyer,2012-05-01 Without a doubt prayer is the greatest art in the world a holy art that needs only to be learned and practiced The greatest difference between effective and anemic Christianity is prayer The most fruitful soul winners are those who make much of prayer The greatest preachers of the gospel and missionaries of the cross are those who pray long and often Everyday believers who walk in the power and miracles of God are people who see prayer not as a series of isolated acts but as an attitude of life To succeed at prayer is to

realize that heaven is not far from earth It is the ability to bend the arm of God Join with best selling author Dr Herbert Lockyer as he sets out to study the nature of prayer and to better understand the simplicity and effectiveness of heartfelt communication with God *The Life of Prayer in a World of Science* Richard Ostrander,2000 By the end of the 19th century the ascendancy of a naturalistic worldview had made it increasingly difficult for many educated Christians to believe in a God who intervened in the natural world At the same time many in the emerging middle class culture saw themselves as too busy to practice the rigorous devotions of their ancestors In this book Rick Ostrander explores the attempts of American Protestants to articulate a convincing and satisfying ethic of prayer in these changing circumstances Ostrander shows that in response to the assault on petitionary prayer by naturalistic scientists American Evangelicals articulated a highly supernatural ethic of prayer and co-opted the scientific method to defend their stance recording and cataloging numerous answers to prayer as empirical proof of prayer's efficacy Liberal Protestants on the other hand with their desire to adapt to modern thought gradually abandoned traditional belief in petitionary prayer The debate about the efficacy of petitionary prayer and other alternative therapies in mental and physical healing has taken on new vigor today this timely and engagingly written work not only chronicles the history of that debate but serves to illuminate the issues that are at stake
