Prayerfully Yours:

Prayerfully Yours Benjamin Vima, 2012-01-05 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As God s Word will not return to Him void but shall achieve the end for which He sent it Is 55 11 so the prayer of the lowly does not rest till it reaches its goal Sir 35 17 18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a qualitylife as the disciples of Jesus Through this book he shares with readers some of his findings of the method of qualityprayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares qualityprayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of qualityprayer and make us perceive clearly our actions and God s own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as QualityPrayer

Ministry in Tears Rev. Benjamin A Vima, Rev. Dasan V Vima, 2015-12-02 In this book the two priest brothers portray the tears they shed in priestly ministry not merely to ventilate their emotional outbursts or confessions to their friends kith and kins and even their so called enemies but most of all to celebrate those tears as part of the blessing that has come to strengthen their union with the Lord with the church and certainly with their lifelong neighbors The kind of tears their eyes showered were those of gratitude joy and sorrow Their discussion also would bring home to every good willed people how the foreign born priests who serve the church in different continents not to be considered as mere international priests in a modern business term rather to be esteemed as the true missionaries sent by the Lord for the impending purpose of new evangelization Ultimately their dream in this dialogical venture is to bring their readers especially their international fellow missionary priests closer to Jesus the one they love the most and to the church his beloved spouse
