Church Laws and Ecumenism Norman Doe, 2020-09-27 Written by experts from within their communities this book compares the legal regimes of Christian churches as systems of religious law The ecumenical movement with its historical theological focus has failed to date to address the role of church law in shaping relations between churches and fostering greater mutual understanding between them In turn theologians and jurists from the different traditions have not hitherto worked together on a fully ecumenical appreciation of the potential value of church laws to help and sometimes to hinder the achievement of greater Christian unity This book seeks to correct this ecumenical church law deficit It takes account of the recent formulation by an ecumenical panel of a Statement of Principles of Christian Law which has been welcomed by Pope Francis and the Ecumenical Patriarch of Constantinople leader of the Orthodox Church worldwide as recognizing the importance of canon law for ecumenical dialogue This book therefore not only provides the fruits of an understanding of church laws within ten Christian traditions but also critically evaluates the Statement against the laws of these individual ecclesial communities The book will be an essential resource for scholars of law and religion theology and sociology It will also be of interest to those working in religious institutions and policy makers

A House of Prayer for All Peoples Sheryl A. Kujawa-Holbrook, 2002-12-31 Contrary to the oft repeated truism there are churches in America where Sunday is not the most segregated day of the week as Sheryl Kujawa Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues Yet the truism continues to haunt many congregations and Kujawa Holbrook reveals through story and thoughtful analysis what it means to create and live out multiracial community Focusing on six congregations from different denominations geographical regions and settings the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community The stories in A House of Prayer for All Peoples will inspire leaders to explore their congregation s history study their community s demographics and most of all search their souls for ways they can develop and celebrate the diversity in their midst The book is capped by an extensive annotated resource list for readers who want to explore the topic further
