Southern Selves James Watkins, 2007-12-18 The memoirist seeks to capture not just a self but an entire world and in this marvelous anthology thirty-one of the South's finest writers like Kaye Gibbons and Reynolds Price, Eudora Welty and Harry Crews, Richard Wright and Dorothy Allison make their intensely personal contributions to a vibrant collective picture of southern life. In the hands of these superb artists the South's rich tradition of storytelling is brilliantly revealed. Whether slave or master, intellectual or redneck, each voice in this moving and unforgettable collection is proof that southern literature richly deserves its reputation for irreverent humor, exquisite language, a feeling for place and an undying, often heartbreaking sense of the past.

A Lillian Smith Reader Lillian Eugenia Smith, 2016 Bringing together short stories, lectures, essays, op-ed pieces, interviews and excerpts from her longer fiction and nonfiction, *A Lillian Smith Reader* offers the first comprehensive collection of her work.

Southern Strategies Michael Odom, 2024-03-07 A study of how literary strategies illuminate the evangelical foundation of Southern culture. In *Southern Strategies: Narrative Negotiation in an Evangelical Region*, Michael Odom argues that through the narrative strategies of resistance, satire and negotiation, a multigenerational group of twentieth-century white Southern writers provides unique insight into the central role evangelical religion has played in shaping the sociopolitical culture of the American South. Odom investigates how W. J. Cash and Lillian Smith confront both the racist culture of their time and the religious institutions that enabled white supremacy to flourish. Insider-outsider Catholic writers Flannery O'Connor and Walker Percy satirize American consumption and the antithetical imperative of evangelical Christianity subsumed within the same culture, and Doris Betts and Dennis Covington engage evangelical religion with curiosity and compassion, redefining spirituality with the aim of providing a sense of community, vision and selfhood. *Southern Strategies* concludes with an analysis of contemporary responses to the evangelical activism that animates the base of American conservatism today.

Killers Of The Dream Lillian Smith, 1994-07-05 Author cites the evils of segregation for both white and colored people and gives the history of race relations from pre-Civil War days.

Gospeler Willie Robertson, 2024-05-14 Do you want to share your faith more easily and naturally? Willie Robertson of Duck Dynasty says that if you can tell someone about your spouse, kids, friends, school, pets and hobbies, you know how to talk about the most important thing in your life: your Lord. Could you share the gospel with another person? Would you know where to start? Do you even know what the gospel is? It's the Good News of Jesus, and a gospeler is simply someone who shares it with others. Willie Robertson writes about his story of faith, which came about in large part because a stranger went out of his way, as well as his comfort zone, to have a spiritual conversation with Willie's father, Phil. And from that story, he tells readers how they too can talk about Jesus with their family, friends, neighbors and even people they meet along the way. *Gospeler* will help readers celebrate the gospel genealogy that

led to their faith and be inspired to grow their spiritual family tree Understand that sharing the gospel is not preaching but having a conversation Keep sharing the gospel with someone knowing that Jesus never gives up on us Focus on what s truly important Jesus instead of what s not religion Being a gospeler is not complicated And the more you share Jesus the easier it gets Maybe you believe other people are better at sharing their faith and it is not your gift Maybe you think you don t know the Bible well enough Or you might say you haven t figured it all out yourself so you aren t equipped to help anyone else Whatever may be holding you back will be covered in this book giving you the inspiration guidance and encouragement you need When the gospel is heard accepted and responded to it s not just a cool story it is a game changer And it can spread across the world starting with one conversation you have with another In addition to this book an accompanying 64 page booklet is available to share with others

Praying the Bible for Your Life David Kopp, Heather Harpham Kopp, 1999 In each of us there is a hunger to experience a fresh and infinitely rich relationship with God We long to share with him our deepest hearts to know that we can approach the throne of grace with confidence so that we may receive mercy and find grace to help us in our time of need Hebrews 4:16 In *Praying the Bible for Your Life* readers will find ways to do this by expanding their prayer language and honestly expressing to God the desires and issues they encounter every day Not only will this book teach men and women how to use Bible passages and stories to help them express their feelings worries requests and worship it will reveal how Scripture can speak back to them powerful truths from the heart of God In the tradition of *Praying the Bible for Your Marriage* *Praying the Bible for Your Children* and *Praying the Bible for Your Baby* *Praying the Bible for Your Life* offers readers solid teachings on how to mine the gold of God s Word and enrich their prayers with Scripture so that they may enjoy a more effective and fulfilling relationship with God

Ruppensburg,1994 Thoughts for My Children Frank Sanders,2022-12-07 My purpose in writing this short book is to share my thoughts with my loved ones especially the children in my life I hope these words will be a lasting legacy to my children and grandchildren as they grow up and after I am gone None of these thoughts are original or insightful They are simple truths and ideas But young people seldom take the time to sit down and think about basic things As people like me get older we see young people make mistakes or suffer or destroy relationships and friendships over simple and obvious issues I have often looked back and wished I had made some small things part of my approach much earlier in my life I still often wish I could impart some time gathered wisdom to my children and grandchildren to smooth their path allow them to avoid mistakes and give them a long term perspective in this short term short sighted world This book is my effort to share some of what I have learned These short chapters are not an exhaustive examination of the topics under discussion Rather they are straight to the point and simple as a grandfather would make the point to a young person who is not excited about sitting down for a long discussion about meaning of life issues with Granddad I hope the young people who read these words will get the gist For those who need more depth hopefully these words will get the discussion started I plan to share this book with my grandkids I hope it will be of interest to them But just as important I hope this book will be read and appreciated by many grandparents who love their grandchildren Maybe my words will give them a chance to have a short discussion with their own loved ones They can share all or some of the points as they see fit They can share my thoughts and add to them their own take If they agree with me this may be an easy way to share some truth and advice If they disagree this will be a good place to begin the conversation I pray that once the habit of discussion with their grandchildren is established they can share other thoughts that are important to them God speed Frank Sanders *Luther League Review* ,1918 The Churchman ,1921 Seven Times Seven Lillie Moore Everett,1929 **Kingdom Family Devotional** Tony Evans,Jonathan Evans,2017 Provides provide both single and married parents with a resource tool to maximize those family devotional times such as the dinner hour or bedtime The family virtues based devotional provides 52 separate topics one for each week of the year and five devotionals within each topic that will guide devotional times Monday through Friday Amazon com
