

***Heavenly Father,
I pray today for my grandma.
I love her so much, and I
cherish all of the memories
that I have with her. She has
always been there for me, even
when no one else was, and I
am so grateful for her. I know
that she is getting older now,
but I pray that she will still
have many happy, healthy
years ahead. I also pray for
Your protection over her
mind, body, heart, soul, and
spirit.
In Jesus ' name, Amen.***

May to May - My Journey to Self-love with God Reabetswe Moabi, 2024-08-16 One of society s main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live
