depths this is a collection to be used and cherished A Book of Hope and Inspiration Penny Hall,2015-07-16 It is amazing how we sometimes sit and enjoy the pleasures of life in this world unaware of the coming sorrow In my brokenness and sorrow my Christianity and spirituality helped me My faith was strengthened and the Divine Master carried me from the dark place and brought me to the place of light where I see the beauty of the love of God My journey was unpleasant but was enjoyable as I walk with the Lord My storyline was changed along the way and rewritten This account will encourage readers to be strong in their faith and hold on to prayer to reach their destiny Nine Words from Jesus Chuck E. Tate,2025-01-14 What are you willing to cry out for Bartimaeus knew Jesus was his only hope for healing for a better life So even as the crowd jostled him scolded him told him to be quiet he unleashed a desperate plea and SHOUTED LOUDER This time Jesus stopped and said nine words that changed the trajectory of his life and will change yours What do you want me to do for you Unpacking this unforgettable encounter between Bartimaeus and Jesus with his unique humor storytelling and fist pumping motivation Chuck E Tate shows how it can also be your story Revealing faith building biblical truth and wisdom he shows how to overcome obstacles to boldly approach God rise above resistance to receive from God dream big and believe in God for the impossible move from desperately calling for Jesus to passionately following Him God always does exceedingly more than we can ask or imagine So go ahead and SHOUT and receive all he has for you *Prayers for Courage, Arranged by a Lady* Aunt Le,2015-12-21 EDITOR S PREFACE Why read ancient prayers Well beyond the comfort of making the acquaintance of God s faithful whom we will someday meet in our glory everlasting beyond the widening up of our own vocabulary so that phrases like someday meet in our glory everlasting go tripping off our tongue it is a way to confound the devil C S Lewis put these words in the mouth of his fictional devil in The Screwtape Letters and since we cannot deceive the whole human race all the time it is most important thus to cut every generation off from all others for where learning makes a free commerce between the ages there is always the danger that the characteristic errors of one may be corrected by the characteristic truths of another All these prayers hymns and meditations were taken from old books available online for free Check the sources at the end of this book for links to download the books from which these prayers were taken While you are there look for other old books confounding the devil is great fun Courage and Hope Josué Matos , As we delve into this epistle it is essential to begin with an understanding of its author Peter his calling and the character of its recipients The keys to the Kingdom of God Matthew 16 19 and the sheep of God s pasture John 21 15 17 were entrusted to Peter In this letter as in the writings of James John and the Epistle to the Hebrews the theme of the Rapture is not present but rather the Revelation of Jesus Christ 1 Peter 1 7 Prophetically the First Epistle of Peter is of utmost importance offering great comfort to the suffering remnant scattered worldwide during the tribulation that will follow the Rapture of the Church Practically the letter has a contemporary message for all Christians who recognize their status as pilgrims and suffer for it They suffer not only due to painful experiences but also because of patient perseverance Peter personally entrusted with the gospel of the

circumcision Galatians 2 7 8 reflects in his letter the history of Israel John in his writings presents Christ as the liberator of God s people from the world just as Israel was liberated from Egypt Paul in turn testifies about the Church and the heavenly places comparing them with Israel s inheritance Peter specifically has the responsibility to comfort and strengthen the suffering saints encouraging them to live holy lives in a hostile world Peter s epistle is a timely and relevant read for today s Christians We live in times of great mental attacks on the saints with the enemy trying to divert and disturb us Peter s letter calls us to holiness reminding us of the lasting value of our redemption and the hope we have in Christ In days of moral decay and spiritual confusion we need this reminder of our identity and calling as God s people The apostle Peter as a leader and shepherd has an urgent message for us we need a new vision of Jesus Christ This love for the Lord Jesus will produce unity among brothers harmony in homes and dedication to glorious service for God s flock Thus when our earthly journey ends we can echo Peter s doxology To Him be the glory and the dominion forever and ever Amen Psalm Prayers Stephen Cherry,2020-04-30 Psalm Prayers is a devotional companion to the Psalms and a practical resource for creating prayers for public worship It introduces each of the 150 Psalms and their central themes before offering a prayer in response crafted in a traditional style that complements the 1662 Book of Common Prayer *Children's Liturgy of the Word 2024-2025* Main author: Mary Beth Jambor Scripture Backgrounds by Mary A. Is Anyone There? Roger Philip Abbott,2014-11-10 According to the Bible the God of Christianity has a reputation for answering prayer However many Christians have been sometimes severely tempted to think they have been sold short as they have found themselves in some crisis and have cried out to God in all sincerity and found that he has been out From years of pastoral experience in addressing crises and after having to face crises in his own experience Roger Abbott attempts to help Christians who are struggling with what seem to be very real instances of God not answering their heartfelt prayers There are many books about

prayer but there are not many that attempt to face the huge struggles with prayer that pray ers can face This book while refusing to shirk those struggles and the debilitating emotional impact they can have also attempts to navigate those emotional struggles with the use of a practical theology Some Christians think other Christians pray Hello Is Anyone There combines a passion for thoughtful theology and a passion for prayer out of a passion for a relationship with God in Christ
