Qumran Prayer and Religious Poetry Nitzan, 2018-11-26. Qumran Prayer and Religious Poetry represents the first attempt to undertake a systematic comprehensive study of the liturgical and poetic texts which were discovered among the Dead Sea Scrolls from Qumran. The collections of prayers, blessings and hymns indicate that fixed prayers were already customary within Judaism during the period of the Second Temple within sectarian circles. In the light of the prayer texts from Qumran, the author conducts a systematic study of Jewish prayer beginning with its biblical traditions through its development during the Second Temple period and down to rabbinic prayer. By means of comparative literary analysis, the author is able to elucidate the relationship of the Qumran texts to forms and motifs found in parallel text types from various periods and circles within Judaism. This volume provides the reader with tools for a renewed study of the history of prayer in Judaism in the light of new textual evidence from the Second Temple period. Were Our Mouths Filled With Song Eric L.

Friedland, 1997-11-01 Since the period in which the Jewish liturgy was standardized there has hardly been a time when it was not somehow in a state of flux Eric L Friedland explores the countless ways that the Siddur Mahzor and Haggadah have been adjusted amplified or transformed so as to faithfully mirror modern Jews understanding of themselves their place in society and their sancta In the tradition of liturgologists such as Elbogen Idelsohn and Petuchowski Friedland focuses on latter day adaptations of the prayerbook giving proper recognition to the recent concern for intellectual integrity cultural congruity group and individual self redefinition and honest speech in Jewish prayer The prayerbooks themselves are witnesses to innovation in the Jewish liturgy From David Einhorn s Olath Tamid Baltimore 1855 to Isaac Mayer Wise s Minhag Amerika Cincinnati 1857 and Marcus Jastrow s 1873 revision of Benjamin Szold s Abodath Israel Baltimore 1864 Friedland analyzes evidence of creativity in British and American Reform Jewish liturgy Various rites for the Days of Awe provide a particularly accurate glimpse of how Jewish communities here and abroad experience the sacred consider eternal mysteries and communicate with God Friedland also sets the Reform Gates of Prayer in historical and denominational perspective by considering it alongside the Reconstructionist Kol Haneshamah and the Israeli Progressive HaAvodah shebaLev The state and direction of liturgical change emerges from a survey of commonalities and divergences in nineteenth and twentieth century prayerbooks in terms of Sephardic and mystical influences attitudes toward the messianic hope and collective sentiments of forgiveness or vengeance toward Israel s enemies Liturgical approaches to the commemoration of the Ninth of Av suggest that even an ancient fast day can recover relevance credibility and authenticity for Liberal Jews in the postmodern era
